

U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Biopesticides and Pollution Prevention Division (7511C) 1200 Pennsylvania Avenue NW Washington, DC 20460

EPA Reg. Number:

Date of Issuance:

72451-1

JAN 22 2001

Term of Issuance:

Unconditional

Name of Pesticide Product:

MSTRS® ECB

NOTICE OF PESTICIDE:

X Registration
Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

MSTRS Technologies, Inc. 2501 North Loop Drive Ames, IA 50010-8277

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time, that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA.

This product is registered in accordance with FIFRA section 3(c)(5) and is subject to the following terms and conditions:

- 1. Modify your label by inserting the new EPA Reg. No.72451-1 before the release of your product for shipment.
- 2. Submit five (5) copies of the revised final printed labeling before you release the product for shipment.

MSTRS® ECB

A PHEROMONE PRODUCT FOR CONTROL OF THE EUROPEAN CORN BORER, Ostrinia nubilalis BY DISRUPTION OF MATING COMMUNICATION

 ACTIVE INGREDIENT

 Z-11-Tetradecen-1-yl acetate
 96.00%

 OTHER INGREDIENTS
 4.00%

 TOTAL
 100.00%

Each MSTRS® ECB dispenser contains 12.25 grams of pheromone

KEEP OUT OF REACH OF CHILDREN

regioniered under EPA Reg. No.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin, inhaled or swallowed. Avoid breathing vapor or spray mist. Remove contaminated clothing and wash before reuse. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

IF ON SKIN OR CLOTHING:

- ➤ Take off contaminated clothing
- ➤ Rinse skin immediately with plenty of water for 15 20 minutes
- ➤ Call poison control center or doctor for treatment advice

IF INHALED:

- ➤ Move person to fresh air
- ➤ If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.
- ➤ Call poison control center or doctor for treatment advice

IF IN EYES:

- ➤ Hold eye open and rinse slowly and gently with water for 15 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye.
- > Call poison control center or doctor for treatment advice

Have product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-515-296-6332.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters

STORAGE AND DISPOSAL STATEMENTS

Do not contaminate water, food or feed by storage or disposal

PESTICIDE STORAGE: Store in original container, in a cool, dry area.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may

be disposed of on site or at an approved waste

disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then, puncture and

dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If

burned, stay out of the smake

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. CROP:

corn

2. PEST:

European corn borer [Ostrinia nubilalis]

3. RATE:

European corn borer adults mate in grassy areas near streams within the cornfield and in the surrounding borders. These grassy regions are the target areas for deploying MSTRS®ECB. The MSTRS®ECB must be placed on stakes at a height of 5 - 6.5 feet above the ground. at a density of 3 - 6 dispensers per acre of grass [this approximates 3 - 6 dispensers per 10 acres of corn or approximately 1 dispenser per 2 - 3.5 acres of corn]. MSTRS®ECB dispensers must be placed at about 50 yard intervals in large grassy areas and on the border of fields. This spacing must be reduced to 35 yards along interior streams and terraced areas.

4. APPLICATION:

The dispensers are programmed to deliver two 70 ul [60 mg] sprays of neat pheromone to the volatilization pad between 7 and 9 pm every day for 100 days. When the dispensers are deployed the system must be primed by manually depressing the activator valve seven times to put 490 ul of neat pheromone on the

volatilization pad.

As promulgated at 40 CFR 180.1153 **DO NOT EXCEED** the rate of 150 grams of active ingredient per acre per year.

5. TIMING:

Deploy MSTRS@ECB immediately prior to the first emergence of European corn borer moths in early summer.

6. NOTE:

MSTRS®ECB impede the mating of European corn borer moths in grassy areas in and around cornfields. Because of the local movement of adult females, mated females from untreated areas can invade treated areas, therefore it is advantageous to treat as large an acreage of corn and grass as possible.

WARRANTY

MSTRS® Technologies Inc., warrants that this product conforms to the chemical description on the label. MSTRS® Technologies Inc., neither makes nor authorizes any agent or representative to make, any other warranty of fitness or of merchantability, guarantee or representation, express or implied, concerning this material.
