- c. Delete the term "preservative" from the front page of the label.
- d. Delete the statement "Avoid contact with eyes or clothing" from the first aid statement.
- e. The precautionary statement heading letters must be in the same large bold print type and sizes.
- f. Regarding the General Information provided under the First Aid statements section, the emergency phone number may be used for the National Pesticides Information Center's 800 number. The section must be revised to read similar to the following:

*"Have the product container or label with you when calling a poison control center, doctor, or going for treatment. For emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm Pacific Time (NPIC Web site: [www.npic.orst.edu](http://www.npic.orst.edu))."*

- g. Remove the statement "Do not leave container where children or animals may gain access" and place it under the heading:

**General Precaution and Restrictions**

Do not leave container where children or animals may gain access

- h. Remove the statement "Do not store near heat or open flame" from the precautionary statement, and place it under the storage and disposal heading.
  - i. Add the following statement above the instructions for use:

"It is a violation of Federal law to use this product in a manner inconsistent with its labeling"
  - j. The net contents for impregnated materials such as wipes must be expressed as pounds or ounces, not as square inches as listed on the label.
3. Submit three (3) copies of the final printed label prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward  
Product Manager 34  
Regulatory Branch II  
Antimicrobials Division (7510P)

# MoldWash® Pre-moistene Wipes

3 8 3

## Surface Mold and Mildew Stain Control

For the preservation and preventive treatment for surface mold and mildew stains on non-porous surfaces such as ceramic, tiles, painted or varnished areas.

Active Ingredient:  
Disodium Octaborate Tetrahydrate 10%\*  
(Na<sub>2</sub>B<sub>8</sub>O<sub>13</sub>·4H<sub>2</sub>O)  
Inert ingredients 90%

\* 10% Disodium Octaborate Tetrahydrate active ingredient is equivalent to 12% Boric acid, Acid Equivalent-BAE (12% BAE)

Keep out of reach of children

## CAUTION

### FIRST AID

#### Avoid contact with eyes or clothing

#### IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

#### IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Wash skin or hands with soap and water.
- Call a poison control center or doctor for treatment advice.

#### IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison center or doctor, or going for treatment.

### Precautionary statements:

#### Caution

#### Hazards to humans and domestic animals.

Harmful if swallowed. Avoid contact with eyes. Wash thoroughly after handling. Avoid contamination of food and feed. Do not leave container where children or animals may gain access. Do not store near heat or open flame.

### STORAGE AND DISPOSAL

Dispose of wipe in trash after use. Do not flush. Tightly close lid between uses to retain moisture. Do not reuse empty container. Offer empty container for recycling. If recycling is not available, discard container in trash.

### Target organisms

*MoldWash® Pre-moistened Wipes* is an effective treatment for cleaning surface mold and mildew stains on non-porous surfaces such as ceramic, tiles, painted or varnished areas, metal framing, bathroom kitchen fixtures, fiberglass and vinyl.

### Preparation of wipe treatment

*MoldWash® Pre-moistened Wipes* is a ready-to-use wipe that can be applied without any preparation.

### Direction for dispensing:

1. Always use gloves. Remove lid by lifting upward. 2. Pull towel from the center of the roll and thread through the "X" opening on the underside of the lid. 3. Close lid. Pull towel at 90° angle. 4. Snap the hinged cap back into place to ensure towels stay moist.

### Direction for use:

1. Always use gloves when handling this product and when cleaning surface mold and mildew stains. 2. Pull one towel from container and wipe the area to be cleaned. 3. For very contaminated areas, more than one towel can be used. 4. Dispose of used wipes in a zip-lock bag.

*MoldWash® Pre-moistened Wipes* is **FOR NON-FOOD USE ONLY.**
