Princestone Corp.
9773 Santa Monica Blvd, #587
Beverly Hills, CA 90210

Subject: Moldwash Pre-Moistened Wipes
EPA Registration No. 72468-5
Application Date: February 04, 2009
Receipt Date: March 08, 2009

Dear Mr. Knipe:

This acknowledges receipt of your notification, submitted under the provision of PR Notice 98-10, FIFRA section 3(c)9.

Proposed Notification

- Company name change from "Mold Free, Inc." to "Princestone Corp."
- Primary brand name change from "Moldwash Pre-Moistened Wipes" to "Mold Wipes 360"

Based on a review of the material submitted, the following comments apply:

The Agency acknowledges your change of company name. The Primary brand name Mold Wipes 360 is acceptable. Please submit five (5) copies of your revised labeling to the Agency for review.

Should you have any questions concerning this letter, please contact me by telephone at (703) 308-6415 or email address at: Lantz.Tracy@epa.gov during the hours of 8:00 am to 3:30 pm EST. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Tracy Lantz
(Acting) Product Manager (34)
Regulatory Management Branch II
Antimicrobials Division (7510P)

RE: Registration Numbers: Request for Company Name Change and Product Name Change
72468-5 Moldwash Pre-Moistened Wipes
(New Name: Mold Wipes 360™)

Dear Ms. O'Malley:

This letter is to replace the letter I sent to Adrienne Turner (Document Processing Desk (NEWCO) dated February 4, 2009. Regarding the above captioned registration numbers, this is to notify you that the corporate name of Mold Free, Inc. has been changed to Princestone Corp. and remains under the same ownership of Eric Knipe (aka Eric Von Knipe) and there has been no asset change. The product name Moldwash Pre-Moistened Wipes has been changed to Mold Wipes 360™.

The new address for Princestone Corp. is as follows:

New Corporate Name: Princestone Corp.
Corporate Contacts: Eric Knipe (aka Eric von Knipe)
Contact Phone Number: (310) 383-0055
Contact Email Addresses: evknife@gmail.com

Official Mailing Address: Princestone Corp.
9663 Santa Monica Blvd., #587
Beverly Hills, CA 90210

The old address was: Mold Free, Inc.
9601 Wilshire Blvd., Suite 620
Beverly Hills, CA 90210

Effective Date: February 9, 2009

Mold Wipes 360™
Surface Mold and Mildew Stain Control

4
5

For the preventive treatment of surface mold and mildew stains on non-porous surfaces such as ceramic, tiles, painted or varnished areas.

Active Ingredient:

Disodium Octaborate Tetrahydrate 10%*
($Na_2B_8O_{13} \cdot 4H_2O$)
Inert ingredients 90%

* 10% Disodium Octaborate Tetrahydrate active ingredient is equivalent to 12% Boric acid, Acid Equivalents-BAE (12%BAE)

Keep out of reach of children

CAUTION

STORAGE AND DISPOSAL
Dispose of wipe in trash after use. Do not flush. Tightly close lid between uses to retain moisture. Do not reuse empty container. Offer empty container for recycling. If recycling is not available, discard container in trash. Do not store near heat or open flame.

FIRST AID
IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye
- Call a poison control center or doctor for treatment advice

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing
- Wash skin or hands with soap and water
- Call a poison control center or doctor for treatment advice

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for treatment advice

Have the product container or label with you when calling a poison center, doctor or going for treatment. For emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm Pacific Time (NPIC Web site: www.npic.orst.edu).

Target organisms
Mold Wipes 360™ is an effective treatment for cleaning surface mold and mildew stains on non-porous surfaces such as ceramic, tiles, painted or varnished areas, metal framing, bathroom kitchen fixtures, fiberglass and vinyl.

Preparation of wipe treatment
Mold Wipes 360™ is a ready-to-use wipe that can be applied without any preparation.

Direction for dispensing:
1. Always use gloves. Remove lid by lifting upward. 2. Pull towel from the center of the roll and thread through the "X" opening on the underside of the lid. 3. Close lid. Pull towel at 90° angle. 4. Snap the hinged cap back into place to ensure towels stay moist.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Direction for use:
1. Always use gloves when handling this product and when cleaning surface mold and mildew stains. 2. Pull one towel from container and wipe the area to be cleaned. 3. For very contaminated areas, more than one towel can be used. 4. Dispose of used wipes in a zip-lock bag.

Mold Wipes 360™ is **FOR NON-FOOD USE ONLY.**

Precautionary statements:

Caution
Hazards to humans and domestic animals
Harmful if swallowed. Avoid contact with eyes. Wash thoroughly after handling. Avoid contamination of food and feed.

General Precaution and Restrictions
Do not leave container where children or animals may gain access.
