U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505C)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

72500-15

Date of Issuance:

February 23,
2009

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Name of Pesticide Product:

SLN Pharmahem Warfarin

Name and Address of Registrant (include ZIP Code):

Scimetrics Ltd. Corp
c/o RegWest Company, LLC
30856 Rocky Road
Greeley, CO 80631-9375

Decision # 385249
R-330 S-845008
1170

Attention: Ms. Kim Davis

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

A) submit one (1) copy of final printed labeling to us, with the following changes, before you release the product for shipment:

- 1. Add the registration number, 72500-15, to the label.

John Hebert, Team Leader
Insecticide-Rodenticide Branch
Registration Division (7505C)

Date:

February 23, 2009

2/5

2. If the label is a single panel label, then the headings, "**PRECAUTIONARY STATEMENTS**" and "**Hazards to Humans and Domestic Animals**" need to precede "Keep Out of Reach of Children". If "**PRECAUTIONARY STATEMENTS**" and "**Hazards to Humans and Domestic Animals**" appear on a panel other than the "Front Panel, then you need a referral statement following your "Front Panel" precautionary text, such as "See Right Panel for additional precautionary statements."
3. Following your "Note to Physician", add this "Note to Veterinarian" in its separate section:

<p style="text-align: center;">TREATMENT FOR PET POISONING</p> <p>If animal eats bait, call veterinarian or 1-800-xxx-xxxx [optional] at once.</p> <p style="text-align: center;">NOTE TO VETERINARIAN</p> <p>Anticoagulant Warfarin: For animals ingesting bait and/or showing poisoning signs (bleeding or prolonged prothrombin times), give Vitamin K₁.</p>

B) within 15 months of registration, submit the following data in electronic and paper formats:

1. Storage Stability (830.6317)
2. Corrosion Characteristics (830.6320)

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed. If you have any questions, please contact Dan Peacock by phone (703-305-5407), fax (703-305-6596), or E-Mail (peacock.dan@epa.gov).

Keep Out of Reach of Children

DANGER {Skull & Crossbones Graphic} POISON

First Aid	
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	
If Swallowed:	<ul style="list-style-type: none"> • Immediately call a poison control center, doctor or 1-800-858-7378 for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If Inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.
If on Skin or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
<p>Note to Physician: If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K1, intramuscularly or orally, as indicated in bishydroxycoumarin overdoses. Repeat as necessary based on monitoring of prothrombin times. Severe cases may require administering Vitamin K1 intravenously and giving blood transfusions.</p>	

(Note: Per PRN 2001-1, the first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.)

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER

Fatal if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Do not get in eyes, on skin or on clothing. Wear a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or a NIOSH-approved respirator with any R, P or HE filter when handling this product. Thoroughly wash with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse. Avoid exposure to this product during pregnancy; warfarin may cause harm to the fetus, including possible birth defects.

Environmental Hazards

This product is toxic to mammals, birds and fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to

4/5

discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your state water board or regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use this product to formulate EPA-registered rodenticide products (manufacturing-use or end-use) for the following uses:

1. To control Norway rats, roof rats, house mice, meadow voles, pine voles and montane voles in and around homes, industrial and agricultural buildings and similar man-made structures; inside transport vehicles (e.g., ships, trains, aircraft); in and around related port or terminal buildings; and in alleys located in urban areas.
2. Uses for which the U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration.
3. Experimental use permits that are in compliance with the requirements of the U.S. EPA.

(For product in containers less than or equal to 50 pounds;)

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals. **Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance. **Container Handling:** Non-refillable container; do not reuse or refill this container. **{Plastic or Metal:}** Triple rinse (or equivalent) container promptly after emptying. Triple rinse as follows: Empty the remaining contents into the mix tank. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times, then offer for recycling, if available, or reconditioning/incineration, if appropriate; or puncture and dispose of in a sanitary landfill. **{Paper:}** Dispose of empty bags in a sanitary landfill or by incineration.

Notice of Warranty

1. Warranty Disclaimer

The directions for use of this product must be followed carefully. The goods delivered to you are furnished "as is" by Manufacturer or Seller. To the extent permitted by applicable law, Manufacturer and Seller make no warranties, guarantees or representations of any kind to Buyer or User, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to, merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Unintended consequences, including, but not limited to ineffectiveness, may result because of such factors as the presence or absence of other materials used in combination with the goods, the manner of use or application, including weather, all of which are beyond the control of Manufacturer or Seller and assumed by Buyer or User. This writing contains all of the representations and agreements between Buyer, User, Seller and Manufacturer, and no person or agent of Manufacturer or Seller has any authority to make any representation, warranty or agreement relating in any way to these goods.

2. Limitation of Liability

To the extent permitted by applicable law, in no event shall Manufacturer or Seller be liable for special, incidental or consequential damages, or for damages in their nature of penalties relating to the goods sold, including use, application, handling and disposal. Manufacturer or Seller shall not be liable to Buyer or User by way of indemnification to Buyer or to customers of Buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by Manufacturer or Seller to Buyer. Buyer's or User's exclusive remedy, and Manufacturer's or Seller's total liability, shall be for damages not exceeding the cost of the product purchased. The Buyer, its customers or User assume all such risks.

3. If you do not agree with or do not accept any of the directions for use, warranty disclaimers or limitations of liability, do not use this product; return it unopened to the Seller and the purchase price will be refunded.
