Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Adding the ABN: Kaput

Warfarin Technical.

Product Name: SLN PHARMACHEM WARFARIN

Admin Number: 72500-15 EPA Receipt Date: 02/21/2023 Action Case Number: 00606242

Dear Sue Valentine:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

The alternate brand name: Kaput Warfarin Technical has been added to the registration. Our records have been updated accordingly.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Andrés Garzón via email at garzonmoreno.andres@epa.gov.

Sincerely,

Melissa Bridges, Product Manager 07 IVB3, RD

Office of Pesticide Programs

SLN Pharmachem Warfarin

NOTIFICATION

72500-15

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

[ABN: Kaput® Warfarin Technical]

A Rodenticide for Formulation into Registered Manufacturing-Use and End-Use Rodenticides

03/03/2025 Active Ingredient:

Warfarin (CAS No. 81-81-2)	97.45%
Other Ingredients	2.55%
Total	100.00%

Keep Out of Reach of Children

First Aid			
Have the product container or label with you when calling a poison control center or doctor or going for treatment.			
If Swallowed:	• Immediately call a poison control center, doctor or 1-800-858-7378 for treatment advice.		
	Have person sip a glass of water if able to swallow.		
	Do not induce vomiting unless told to do so by the poison control center or doctor.		
	Do not give anything by mouth to an unconscious person.		
If Inhaled:	Move person to fresh air.		
	• If person is not breathing, call 911 or an ambulance, then give artificial respiration,		
	preferably by mouth-to-mouth if possible.		
	Call a poison control center or doctor for further treatment advice.		
If on Skin	Take off contaminated clothing.		
or Clothing: • Immediately rinse skin with plenty of water for 15-20 minutes.			
	Call a poison control center or doctor for treatment advice.		
If in Eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes.		
	Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.		
	Call a poison control center or doctor for treatment advice.		

Note to Physician: If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K1, intramuscularly or orally, as indicated in bishydoxycourmarin overdoses. Repeat as necessary based on monitoring of prothrombin times. Severe cases may require administering Vitamin K1 intravenously and giving blood transfusions.

Treatment for Pet Poisoning: If animal eats bait, call a veterinarian [or 1-800-xxx-xxxx] at once.

Note to Veterinarian: Anticoagulant Warfarin: For animals ingesting bait and/or showing poisoning signs (bleeding or prolonged prothrombin times), give Vitamin K1.

{Note: Per PRN 2001-1, the first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals DANGER

Fatal if swallowed, inhaled or absorbed through skin. Causes moderate eye irritation. Do not get in eyes, on skin or on clothing. Wear a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or a NIOSH-

approved respirator with any R, P or HE filter when handling this product. Thoroughly wash with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse. Avoid exposure to this product during pregnancy; warfarin may cause harm to the fetus, including possible birth defects.

Environmental Hazards

This product is toxic to mammals, birds and fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your state water board or regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use this product to formulate EPA-registered rodenticide products (manufacturing-use or end-use) for the following uses:

- 1. To control Norway rats, roof rats, house mice, meadow voles, pine voles and montane voles in and around homes, industrial and agricultural buildings and similar man-made structures; inside transport vehicles (e.g., ships, trains, aircraft); in and around related port or terminal buildings; and in alleys located in urban areas.
- 2. Uses for which the U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration.
- 3. Experimental use permits that are in compliance with the requirements of the U.S. EPA.

(For product in containers less than or equal to 50 pounds:)

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals. Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance. Container Handling: Non-refillable container; do not reuse or refill this container. {Plastic or Metal:} Triple rinse (or equivalent) container promptly after emptying. Triple rinse as follows: Empty the remaining contents into the mix tank. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times, then offer for recycling, if available, or reconditioning/incineration, if appropriate; or puncture and dispose of in a sanitary landfill. {Paper:} Dispose of empty bags in a sanitary landfill or by incineration.

Notice of Warranty

1. Warranty Disclaimer

The directions for use of this product must be followed carefully. The goods delivered to you are furnished "as is" by Manufacturer or Seller. To the extent permitted by applicable law, Manufacturer and Seller make no warranties, guarantees or representations of any kind to Buyer or User, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to, merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Unintended consequences, including, but not limited to ineffectiveness, may result because of such factors as the presence or absence of other materials used in combination with the goods, the manner of use or application, including weather, all of which are beyond the control of Manufacturer or Seller and assumed by Buyer or User. This writing contains all of the representations and agreements between Buyer, User, Seller and Manufacturer, and no person or agent of Manufacturer or Seller has any authority to make any representation, warranty or agreement relating in any way to these goods.

2. Limitation of Liability

To the extent permitted by applicable law, in no event shall Manufacturer or Seller be liable for special, incidental or consequential damages, or for damages in their nature of penalties relating to the goods sold, including use, application, handling and disposal. Manufacturer or Seller shall not be liable to Buyer or User by way of indemnification to Buyer or to customers of Buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by Manufacturer or Seller to Buyer. Buyer's or User's exclusive remedy, and Manufacturer's or Seller's total liability, shall be for damages not exceeding the cost of the product purchased. The Buyer, its customers or User assume all such risks.

3. If you do not agree with or do not accept any of the directions for use, warranty disclaimers or limitations of liability, do not use this product; return it unopened to the Seller and the purchase price will be refunded.
