DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
This label must be in the user's possession at the time of application of this product.

Read this Label: Read this entire label and follow all use directions and use precautions.

Important: Do not expose children, pets or other domestic animals to this product. To help prevent accidents:

1. Store product not in use in a location out of reach of children, pets and other animals.
2. Apply this product only as specified on this label.
3. Keep pets and livestock out of treated areas until bait has been consumed by the rodents.
4. Dispose of product container, unused, spoiled or unconsumed bait as directed by this label.

Use Restrictions: This product may be used to aid in the reduction of flea populations on squirrels of the Genus *Spermophilus* and prairie dogs of the Genus *Cynomys* in parks, golf courses, rangeland, pasture, alfalfa, wheat,

3/4

oats, barley, fruit tree orchards (dormant season only), non-crop rights-of-way and other non-crop areas. The insecticide in this product acts systemically to aid in the reduction of fleas that commonly infest listed rodents including *Orospylla idahoensis*, *O. hirsute* and *Hoplospyllus anomalus*. Apply this product only at times of year when these rodents are readily accepting grains. Bait at a time when rain is not expected for at least four days after the time of baiting. Do not apply bait over roads, walkways or water.

Wear gloves when applying bait. With detergent and hot water, wash all utensils used for applying bait. Do not use these utensils for mixing, holding or transferring foods or feeds.

Baiting: Manually scatter ½ cup of bait (approximately 2 ounces or 56 grams) on ground near each burrow opening being used by ground squirrels or prairie dogs. Bait spoons, measuring cups or other suitable implements may be used to measure and distribute bait. Re-apply bait to the same area every other day for 3 to 4 applications. Do not pile the bait; scattering the bait allows the rodents to utilize their natural foraging behavior and limits exposure to livestock and non-target wildlife.

A continuous supply of bait is needed for 6 to 8 days to ensure that all ground squirrels or prairie dogs present have an opportunity to feed on bait for at least 5 consecutive days. Do not exceed the maximum application rate of ½ cup per burrow for 4 applications.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a cool, dry place inaccessible to children and pets. **Pesticide**

Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Management:** Non-refillable container; do not reuse or refill this container. Triple rinse (or equivalent) container promptly after emptying, then offer for recycling, if available; or reconditioning, if appropriate; or puncture and dispose of in a sanitary landfill; or by incineration.

Batch [Lot] Code [Number]: _____

First Aid

Have the product container or label with you when calling a poison control center, doctor or 1-800-222-1222, or going for treatment.

If swallowed, immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing, take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Note to Physician: No specific antidote is available; treat the patient symptomatically.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Keep away from humans, domestic animals and pets. Causes moderate eye irritation. Do not get in eyes or on skin or clothing. Wash arms, hands and face with soap and water after applying and before eating, drinking, chewing gum or using tobacco. Applicators must wear long-sleeved shirt, long pants, socks, shoes and gloves.

2/4

Environmental Hazards

This product is highly toxic to aquatic invertebrates and toxic to mammals and birds. Do not apply this product directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

Notice of Warranty

1. Warranty Disclaimer

The directions for use of this product must be followed carefully. The goods delivered to you are furnished "as is" by Manufacturer or Seller. To the extent permitted by applicable law, Manufacturer and Seller make no warranties, guarantees or representations of any kind to Buyer or User, either express or implied, or by usage of trade, statutory or otherwise, with regard to the product sold, including, but not limited to, merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Unintended consequences, including, but not limited to ineffectiveness, may result because of such factors as the presence or absence of other materials used in combination with the goods, the manner of use or application, including weather, all of which are beyond the control of Manufacturer or Seller and assumed by Buyer or User. This writing contains all of the representations and agreements between Buyer, User, Seller and Manufacturer, and no person or agent of Manufacturer or Seller has any authority to make any representation, warranty or agreement relating in any way to these goods.

2. Limitation of Liability

To the extent permitted by applicable law, in no event shall Manufacturer or Seller be liable for special, incidental or consequential damages, or for damages in their nature of penalties relating to the goods sold, including use, application, handling and disposal. Manufacturer or Seller shall not be liable to Buyer or User by way of indemnification to Buyer or to customers of Buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by Manufacturer or Seller to Buyer. Buyer's or User's exclusive remedy, and Manufacturer's or Seller's total liability, shall be for damages not exceeding the cost of the product purchased. The Buyer, its customers or User assume all such risks.

3. If you do not agree with or do not accept any of the directions for use, warranty disclaimers or limitations of liability, do not use this product; return it unopened to the Seller and the purchase price will be refunded.
