U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Biopesticides and Pollution Prevention Division (7511C)  
1200 Pennsylvania Avenue NW  
Washington, DC 20460

EPA Reg. Number:

72563-1

Date of Issuance:

7-26-02

Term of Issuance:

Conditional

Name of Pesticide Product:

Mosquito Magnet™ Octenol Biting Insect Attractant

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

American Biophysics Corporation  
2240 South County Trail  
East Greenwich, RI 02818-1536

~~Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.~~

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Sec. 3(c)(7)(A) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
3. Submit one copy of the box label for each of the three devices that includes the pesticide product covered by this conditional registration.
4. Submit within two months a revised Child Resistant Packaging (CRP) test protocol for Agency approval. See Agency's review of CRP test data submitted by you in March 2002 (Agency received: March 28, 2002).

Signature of Approving Official:

  
(See second page for signature)

Date:

7-26-02

Page 2

EPA Reg. No. 72563-1

5. Submit within six months CRP test data from the above stated Agency approved test protocol.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Janet L. Andersen, Director  
Biopesticides and Pollution Prevention Division
