EPA Form 8570-6

2. Make the following change to the label:

2.1. Change the product registration number to "EPA Reg. No. 72586-1"

2.2. Revise the label according to the following instructions:

2.2.1. Front Panel:

2.2.1.1. Change the net weight from 16 oz. (473 ml) to 16 fl oz. (473 ml).

2.2.1.2. Remove the picture of the melons from the label. This is a false and misleading image, because it may imply that the product can be used on these commodities.

2.2.1.3. Change the terms "Cucumber Melon" to "Cucumber Melon Scented" to reflect that the product contains the respective fragrance.

2.2.1.4. Within the ingredient statement, revise as follows:

"Active Ingredients:

Pyrethrins.....0.05%

Piperonyl Butoxide \* .....0.50%

Other Ingredients:.....99.45%

100.00%

\* (Butylcarbityl)(6-propylpiperonyl) ether 0.04% and related compounds 0.01%,,

2.2.2. Side Panel:

Revise the respective language on the side panel as follows:

2.2.2.1.

**"Directions For Use:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To shampoo and kill fleas and ticks, wet the pet's coat with warm water. Starting at the head, apply shampoo by hand and work thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with towel. The pet will have a clear lustrous coat, free of fleas and ticks. **Repeat every week, if necessary. Refer to back panel for additional Directions for Use and Precautions.**

This is a HydroSurge® specialty product. For best results, pre-wash all animals using a HydroSurge® Bathing system, and apply this product by hand as directed above."

2.2.3. Back Panel:

Revise the respective language on the back panel as follows:

2.2.3.1. Change the terms "Cucumber Melon" to "Cucumber Melon Scented" to reflect that the product contains the respective fragrance.

2.2.3.2.

"Directions for Use continued from side panel

**READ ENTIRE LABEL BEFORE EACH USE  
USE ONLY ON DOGS OR CATS**

In case of Medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-888-766-2284.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Avoid getting this production pet's eyes or directly on pet's genitalia. Do Not Use on Dogs or Cats Under 12 Weeks old. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately."

2.2.3.3. The Storage and Disposal language as proposed is acceptable.

Draft label resubmissions must be provided in accordance with Agency format requirements as described in the Label Review Manual

**VI. LABEL SUBMISSION REQUIREMENTS**

A. Reviewers should only accept draft labeling for review that meets the following requirements:

- 1. Submissions for new registrations or amendments must include five copies of all draft labeling (typescript or mock-up). For all amendments, one copy of the draft proposed label should be marked up or annotated in some way, such as Redline/Strikeout, to indicate what has been changed. The other three copies should be "clean" or not annotated in any way, but include all label changes for which the amendment is submitted.
- 2. All copies must be legible and of suitable quality for making legible photocopies. Draft labeling must have print size of at least 12 characters per inch to aid in label review and to ensure that additional photocopies will be legible.
- 3. All labeling should be submitted on 8½" x 11" paper or mounted on 8½" x 11" paper.

B. If the labeling submitted by the registrant does not meet the above criteria, discontinue the label review. Go to chapter four to open and close out the registration action. Send a letter to the registrant describing the submission deficiencies.

4 8 5

A copy of the entire Label Review manual can be found at the following Agency internet site:  
<http://www.epa.gov/oppfead1/labeling/lrm/>

If the above label submissions are not followed, the submission is subject to rejection.

3. Submit two copies of the revised final printed label for the record before the product is released for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Sincerely,

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7505P)
