Washington, DC 20001

Subject: Amended Reregistration Label
Product Name: Flea & Tick Shampoo for Dogs and Cats
EPA Registration Number: 72586-1

Dear Georgia Anastasiou:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the pyrethrin and pbo RED(s), and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 4-15-13

A copy of your label stamped "Accepted" is enclosed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- Do not spray into pet's eyes, face or genitalia.
- Do not apply to (use on) pets less than 12 weeks old.
- Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant or nursing animals.
- Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

READ ENTIRE LABEL BEFORE EACH USE.

USE ONLY ON DOGS AND CATS OVER 12 WEEKS OF AGE

To shampoo and kill fleas and ticks, wet the pet's coat with warm water. Starting at the head, apply shampoo by hand and work thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. The pet will have a clear lustrous coat, free of fleas and ticks. Repeat every week, if necessary. *[Repeat use as recommended by a Veterinarian] [Refer to back panel for additional Directions for Use and Precautions.] [This is a HydroSurge® specialty product.] [For best results, pre-wash all animals [using a HydroSurge® Bathing System] and apply this product by hand as directed above.]*

STORAGE AND DISPOSAL

Pesticide Storage: Store in original container in safe, dry place.

Container Disposal: **If empty:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
