AND POLLUTION PREVENTION

January 21, 2021

Ms. Georgia Anastasiou  
Agent for Jarden Consumer Solutions  
c/o Lewis & Harrison, LLC  
2461 S Clark St., Suite 710  
Washington, DC 20001

Subject: Notification per PRN 98-10 – Add optional recycling graphic to label  
Product Name: Flea & Tick Shampoo for Dogs and Cats  
EPA Registration Number: 72586-1  
Application Date: July 1, 2020  
Decision Number: 569339

Dear Ms. Anastasiou:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact please contact Kaitlin Saunders at 703-347-8454 or by email at [Saunders.Kaitlin@epa.gov](mailto:Saunders.Kaitlin@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is cursive and somewhat stylized, with the first name being more prominent.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- Do not spray into pet's eyes, face or genitalia.
- Do not apply to (use on) pets less than 12 weeks old.
- Do not re-use any item that was used to apply the shampoo until it has been cleaned and sanitized.
- Except when applying directly to pets, do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant or nursing animals, including any prescription or non-prescription flea and tick medications.
- Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

### READ ENTIRE LABEL BEFORE EACH USE.

#### USE ONLY ON DOGS AND CATS OVER 12 WEEKS OF AGE

Prior to using this shampoo on your pet, please perform a patch test to ensure your pet does not have any sensitivities to the pesticide used in this shampoo. Apply a small amount of shampoo on a small section of your pet's fur, allow the lather to penetrate the fur for five minutes before rinsing. Wait 48 hours and observe your pet for any allergic reaction.

Wet pet's coat thoroughly with warm water. Starting at the head and working back, work up a lather with this quick lathering formula, being sure that the lather is worked thoroughly into pet's coat down to skin. Allow lather to stand five minutes, then rinse completely with clean water and towel dry. Supervise pet during use and do not allow pet to lick coat while the shampoo is on. To maintain maximum effectiveness against both fleas and ticks, repeat (or reapply) every week.

### STORAGE AND DISPOSAL

**Pesticide Storage:** Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

**Container Disposal: If empty:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### FIRST AID

<b>If swallowed</b>	<ul style="list-style-type: none"><li>•Call a poison control center or doctor immediately for treatment advice.</li><li>•Have person sip a glass of water if able to swallow.</li><li>•Do not induce vomiting unless told to do so by the poison control center or doctor.</li><li>•Do not give anything by mouth to an unconscious person.</li></ul>
<b>If in eyes</b>	<ul style="list-style-type: none"><li>•Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>•Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li><li>•Call a poison control center or doctor for treatment advice.</li></ul>

**HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center, doctor, veterinarian or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-830-3678

PRECAUCION AL CONSUMIDOR: Si usted no lee Ingles, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. (To the user: If you cannot read English, do not use this product until the label has been fully explained to you.)

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans and Domestic Animals**  
**CAUTION**

Harmful if swallowed. Causes eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

DOMESTIC ANIMALS: FOR TOPICAL USE ON CATS AND DOGS ONLY. Do not ingest. Do not use on kittens or puppies under 12 weeks of age. Do not treat your pet with more than one pesticide product at a time. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivities occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, or if ingested, consult a veterinarian immediately.
