OFFICIAL FILE COPY

-- Add the phrase "EPA Registration No. 72594-1.

- -- Add the EPA Establishment Number to the product label, preferably beneath your EPA Registration No.
- -- Revise the phrase "Keep Out of Reach of Children and Pets" to read "Keep out of Reach of Children". Also this phrase must be placed beneath the Signal Word Caution.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment constitutes acceptance of these conditions.

A stamped copy of the draft label is enclosed for your records.

Any questions may be directed to Richard King, Regulatory Action Leader for this action, at (703) 308-3052, fax (703) 308-7026.

Sincerely,

and f. anderse

Janet L. Andersen, Ph.D. Director Biopesticides and Pollution Prevention Division (7511C)

Doc's Clone Gel is used to insure root production on the cuttings of your favorite plants.

Supplies tender new cuttings with essential hormones needed for accelerated root development.

Prolonged use will allow the mass-production of genetically superior plants.
