Envirodyne, Inc.
P.O. Box 451
Manistee, MI 49660

Subject: Green Screen Deer and Rabbit Repellent
EPA Registration No. 72637-2
Label Amendment to separate the labels according to packaging and to differentiate the commercial and non-commercial use
Decision # 419994
Application Dated: February 25, 2010

Dear Mr. Meikle:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Ms. Menyon Adams at 703-347-8496 or by email at: adams.menyon@epa.gov. A stamped copy of the label is enclosed for your records.

Sincerely,

CONCURRENCE
Lisa Adams, Chief
Biochemical Pesticides Branch
Biopesticides and Pollution
Prevention Division (7511P)

READ ALL DIRECTIONS BEFORE USING

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if inhaled. Avoid breathing dust and contact with skin, eyes or clothing. Product may irritate or burn skin, eyes and mucous membranes. Wear long-sleeved shirt, long pants, socks plus shoes and gloves and safety glasses or goggles. Wash thoroughly with soap and water after handling. Remove clothing and wash before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear long sleeved shirts, long pants, shoes plus socks, gloves and safety glasses or goggles. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water; keep and wash PPE separately from other laundry.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Statement

Do not apply this product in a way that will contact workers or other persons, either directly or thru drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the State or Tribal agency responsible for pesticide regulation.

THIS PRODUCT IS NOT FOR COMMERCIAL USE.

FOR HOMEOWNER USE ONLY

Use Directions

Sprinkle Green Screen® Powder around the perimeter of the planted area and/or around the base of plants, or around compost bin to discourage deer and rabbits from browsing. Apply at a rate of one pound per 75-100 square feet. Reapply every other week until no further damage occurs. Increase rate if severe wildlife pressure exists. Do not apply Green Screen® Powder directly to vegetation.

50916

STORAGE AND DISPOSAL

For best results use entire contents of package within one year of opening.
Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Store in original container in a cool, dry location.
PESTICIDE DISPOSAL:

Residential Use: Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

ADDITIONAL GREEN SCREEN@INFOMRATION

- Ideal for gardens, orchards and vineyards
- Effective way to discourage wildlife damage
- Acts as a soil enhancer
- Inexpensive
- Easy to use

NOTICE OF WARRANTY: To the extent permitted by law the manufacturer shall not be liable. The seller warrants only that this product shall arrive in acceptable condition. This warranty is expressly made in lieu of all warranties, expressed or implied, including the warranties of merchantability and fitness for use. In the event of a breach of the warranty stated herein, buyer shall have as a sole remedy a replacement of the goods sold upon giving proper notice to seller. No claim shall be made for damages, nor may any recovery be had for incidental or consequential damages.

Agricultural Use Requirements

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, greenhouses and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE) and restricted entry interval (REI) and notification to workers. The requirements on this box only apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted entry interval of 4 hours. Personal protective equipment required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated such as plants, soil or water is:
•coveralls •waterproof gloves •shoes plus socks •safety glasses or goggles.

Non-Agricultural Use Requirement

The requirements of this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The Worker Protection Standard applies when that product is used to produce agriculture plants on farms, nurseries, greenhouses and forests.

THIS PRODUCT IS NOT FOR COMMERCIAL USE.

FOR HOMEOWNER USE ONLY

Use Directions

Hang Green Screen® Bags from plants, stakes, trees or other suitable items around vegetation a maximum of two feet apart to discourage deer and rabbits from browsing. If using on tall vegetation, trees, or bushes hang bags about 1 foot from ground to discourage rabbits and 4 feet from ground to discourage deer. If severe browsing damage occurs place bags closer together. Green Screen® Bags are odor offensive to wildlife and should remain fully exposed. Green Screen® Bags can be used for home and garden.
