REPELKOTE™ SurFX Packaging

NOTICE OF PESTICIDE:

- Registration
- Reregistration

Name and Address of Registrant (include ZIP Code):

Caraustar Industries, Inc.
23230 Chargrin Blvd., Suite 232
Beachwood, OH 44122

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act, as amended:

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes listed below before you release the product for shipment:
Add the phrase "EPA Registration No. 72647-4".
3. Submit five(5) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Please note that for future reference, the Product Manager for this product is PM number 91, Sheryl Reilly. A stamped copy of the label is enclosed for your records.

Revised 5/82

A-79 ENCLOSURE

Final printed labeling is defined as that labeling which will accompany the pesticide product to market, and includes not only the container label, but also all accompanying technical information, brochures, etc.

Final printed labeling for the Agency's files should be of a size that can be stored conveniently in 8 ½ x 11 inch files. Labels may be mounted or photo reduced to meet the size requirements provided the printing is legible and is of microfilm reproduction quality. Should photo reduction make any of the text illegible, the text must be typed out on an accompanying sheet of paper.

PASTE-ON LABELING: This should be submitted as is, unless it requires photo reduction.

SCREEN PRINTED LABELING: These labels should be printed by taping paper on the container as it goes through the printing process. The actual container should not be submitted.

EMBOSSSED LABELING: These labels should be photocopied.

UNUSUAL SIZE LABELING: Large bags or boxes must be photo reduced, either the entire label on one reduction or in sections so that each section is 8 ½ x 11 inches.

Type Size Requirements for 3 Front Panel Headings

Size of front panel in square inches	Minimum type size for "RESTRICTED USE PESTICIDE" (if required) and Signal Word in all capital letters	Minimum type for "Storage and Disposal" heading & "Keep Out of Reach of Children" warning

CAUTION

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

These insect-repellant packaging products will significantly reduce Coleopteran and Lepidopteran insect infestations of stored commercial and consumer products including dry human and pet foods, animal feeds, and nonfood items (e.g., textiles, clothing). Packaging may be used to store dry foods with or without a surface containing free fat or oil.

To use, remove REPELKOTE™ SurFX Packaging products from their shipping container. Fill and seal these packaging products using the same procedures and equipment used for other packaging products. For best results, use REPELKOTE™ SurFX Packaging within three months of date of manufacture.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Carton Storage	For maximum effectiveness, keep packaging wrapped in the original shipping container until ready for use.
Carton Disposal	Use normal methods of disposal. Packaging may be recycled, disposed of in a sanitary landfill, or incinerated (if allowed by state and local authorities).
Container Disposal	Shipping containers may be recycled, disposed of in a sanitary landfill, or incinerated (if allowed by state and local authorities).

WARRANTY AND LIMITATION OF DAMAGES

The Manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.
