U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401

"M" St., S.W.

Washington, D.C. 20460

EPA Reg. Number:

72675-1

Date of Issuance:

JUN 04 2001

Term of Issuance:

**TIME LIMITED --
EXPIRES 6/5/2002**

Name of Pesticide Product:

"SaniSorbX"

NOTICE OF PESTICIDE:

- Registration
- Re-registration

under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Multisorb Technologies, Inc.
325 Harlem Road,
Buffalo, NY 14224

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.

2. Add the new EPA Registration Number phrase: "EPA Reg. No. "72675-1", and your EPA Establishment Number to the label.

Signature of Approving Official:

Marshall Swindell
Acting Product Manager 33
Regulatory Management Branch 1
Antimicrobial Division (7510C)

Date:

JUN 04 2001

3. As required per PR Notice 94-8, within 3 months of the date of this notice, you must submit the complete chemical composition for each of the ingredients in the ink used on the product's water soluble packaging. All ink ingredients must be found acceptable for use in pesticide formulations by 6/5/2002.

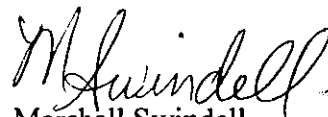

4. Submit three copies of a revised final printed label.

This conditional registration will **expire automatically on 6/5/2002**. The registration requirements listed herein must be fully satisfied in order for EPA to change the "Terms of Issuance". If you fail to satisfy the conditions imposed in this registration, EPA may issue a Notice of Registration to Cancel under Section 6(e) of FIFRA. Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

If you have any questions concerning this letter, please contact myself at 703-308-6341, or Tony Kish at (703) 308-9443.

Sincerely,

Marshall Swindell
Acting Product Manager 33

Precautionary Statements

Hazards to Humans and Domestic Animals

DANGER. Corrosive. Cause irreversible eye damage. Causes skin irritation. Harmful if inhaled. Harmful if swallowed. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Causes asthmatic signs and symptoms in hyper-reactive individuals.

- Do not get in eyes, on skin or on clothing.
- Avoid breathing vapor.
- Do not swallow.
- Wear protective goggles, protective clothing, and rubber gloves. As long as the water soluble packaging remains intact, goggles are not required.
- Wash thoroughly with soap and water after handling
- Remove contaminated clothing and wash before reuse.

Storage and Disposal

Storage: Store in a cool, dry, well ventilated area.

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide wastes are toxic. Improper disposal of excess pesticides is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or you Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Empty bags and boxes in which the product is shipped may be offered for recycling or disposed of in a sanitary landfill. If allowed by State and local authorities, they may be disposed of by burning. If burned, stay out of smoke.
