Precautionary Statements

Hazards to Humans and Domestic Animals

DANGER. Corrosive. Cause irreversible eye damage. Causes skin irritation. Harmful if inhaled. Harmful if swallowed. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Causes asthmatic signs and symptoms in hyper-reactive individuals.

- Do not get in eyes, on skin or on clothing.
- Avoid breathing vapor.
- Do not swallow.
- Wear protective goggles, protective clothing, and rubber gloves. As long as the water soluble packaging remains intact, goggles are not required.
- Wash thoroughly with soap and water after handling
- Remove contaminated clothing and wash before reuse.

Storage and Disposal

Storage: Store in a cool, dry, well ventilated area.

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide wastes are toxic. Improper disposal of excess pesticides is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or you Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Empty bags and boxes in which the product is shipped may be offered for recycling or disposed of in a sanitary landfill. If allowed by State and local authorities, they may be disposed of by burning. If burned, stay out of smoke.
