**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid Contact with eyes or clothing. Wear protective eyewear (goggles or face shield or safety glasses). Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the restroom.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or other waters, unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for formulating end use microbiological water purification systems to treat water for drinking water purposes. This product is also intended for reformulating or repackaging into end use products intended for use as an iodinator, water disinfectant or for use in recirculating cooling water systems.

**Directions For Use (cont'd)**

Manufacturers of microbiological water purification systems and reformulators or repackagers using this iodinated resin must obtain their own registration from the U.S. Environmental Protection Agency.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep container closed when not in use. For extended periods, store in cool, dry location. Keep tightly closed during storage. Do not expose to direct sunlight. Open dumping is prohibited.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or if allowed by state and local authorities by burning. If burned stay out of smoke.
