**RE: Notification per PR Notice 98-10 to add 2 new alternate brand names, withdraw 1 previously approved alternate brand name, and add minor changes**  
**Product: Sani-Towel, EPA Reg. No. 72956-1**  
**Company: Nice-Pak Products, Inc.**

Dear Marshall:

On behalf of Nice-Pak Products, Inc., I am submitting a notification per PR Notice 98-10 to add 2 new alternate brand names, withdraw 1 previously approved alternate brand name, and add minor changes to the labeling for the product Sani-Towel, EPA Reg. No. 72956-1. All changes are to the first page of the label and are highlighted.

The new names are:

**Sani Professional Brand No-Rinse Sani Cart Wipe[s]**  
**Sani Professional Brand No-Rinse Surface Sanitizing Wipe[s]**

Note the previous EPA approved alternate names are listed (but not highlighted because they already were approved). Nice-Pak may wish to make "Wipe" in the names plural, so we have added an optional "s" to each name.

We are withdrawing the following name from this product as this name will be used for another product:

~~**Sani Professional Brand Sani Cart Wipe**~~

The minor label changes are all on page 1 and highlighted:

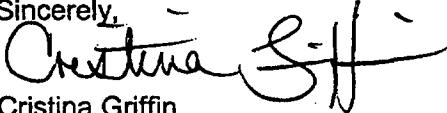

- Under the ingredient statement we are adding "[Does not include the weight of the [cloth][towelette][or][wipe]]" to clarify the ingredient statement.
- Revising establishment numbers.
- To the "Manufactured by" statement adding "for" as optional when appropriate.
- Added optional [Made in USA]

Enclosures

- EPA form 8570-1
- Revised label highlighted to show additions
