Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered since you have agreed to the conditions in our letter of September 18, 2000

1. Please make the following labeling changes:

- a) Revise the EPA Registration Number to read "EPA Reg. No. 72969-1"
- b) Under your IF ON SKIN OR CLOTHING statement, please change "of" to "off" in the first sentence

2. Per your request, you may remove the front panel statement "Not for use on foals under three (3) months of age". The statement "Do not use on foals under three (3) months old" must remain under your Directions for Use and should be rewritten as "Not for use on foals under three (3) months of age".

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.
