PRODUCT: Celebration Spot On (SHP-2002) [72969-2]

Dear Linda:

On behalf of Star Horse Products, Inc., I am submitting for your review a notification for minor label amendments as described in PR Notice 98-10 Section II N.

The reasons for making the changes detailed below are to:

- 1] At amend the pre-application statements since there has been another design change in the primary packaging [tube].
- 2] To change the word "vial" on the front panel to the word "tube" which is a better description of the current primary package.
- 3] Address correction

The current approved label has the pre-application instruction:

" Hold card in upright position. Point tip of tube up and away from the user's face and body, then cut along the dotted line.

The new label will have the pre-application instruction:

"Hold tube in upright position pointing away from the user's face and body. Break off tip or cut with scissors."
