NOTICE OF PESTICIDE:

x Registration

Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

POKON & CHRYSAL B.V.

3063 NW 21st Street

Miami, FL 33172

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
- 2. Make the following labeling changes listed below before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 72992-3".
 - Add the following statement at the bottom of the First Aid statement:

"In case of an emergency for additional information call toll free (Insert tolls free number if available). Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment."

c. Revise the precautionary statement to read as follows:

"Harmful if swallowed, absorbed through skin, or inhaled. Causes moderate eye irritation. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse." Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

- d. Delete the Keep Out of Reach of Children (KOROC) statement from the pesticide storage instructions. Note the correct spelling for "Out" in the KOROC statement.
- e. The Storage and Disposal must be revised to read as follows:

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

"PESTICIDE STORAGE: Keep away from food, drink and animal feeding stuffs. Keep in a dry place (max. 60% relative humidity) above 41° F. This product has a shelf life of 1.5 years.

"CONTAINER DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash."

- f. Since this product is intended exclusively for indoor use, an environmental hazard statement is not required on the label. Therefore, you may delete the environmental statement from the label.
- 3. Submit three (3) copies of the revised final printed label bearing the revisions prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward

Product Manager 34

Regulatory Management Branch II Antimicrobials Division (7510C)

T427

Processing solution

T427 processes fresh flowers during shipping and sales. Activates water uptake, gives proper control over microbial growth and supplies flowers with food to survive the distribution period without developing prematurely.
