**PRECAUTIONARY STATEMENTS  
Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed, absorbed through skin, or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.

**Pesticide Storage:** Keep away from food, drink and animal feeding stuffs. Keep in a dry place (max. 60% relative humidity) between 0 and 30°C. The product has a shelf life of 1.5 years and the expiration date is indicated on the product packaging.

**Container Disposal:** Securely wrap original container in several layers of newspaper and discard in trash. Dispense of the sachets in the trash.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Dosage:** 3 g per 2.1 quart (2 liter) of water.

**Directions:**

- **Hygiene:** Use only clean buckets, containers and other materials. Clean and disinfect with cleaner.
- **Buckets and containers:** Do not use buckets and containers of unprotected ferrous metal (zinc, copper, iron). The acidic solution can cause rust building which reduce vase life.
- **Type of water:** Preferably use tap water. When using spring or rain water, a filter must be installed previous to the dosing unit.
- **Active life of the solution:** Reusable for 3 – 7 days, depending on the number of flowers treated and the temperature. The solution will remain effective for a longer period of time when used at lower temperatures. Do not add residual solutions to fresh ones.
- **Dispensing equipment:** Check the dispenser unit frequently to ensure proper functioning.

**Dissolving process:** Dispense the product first before filling with water, in order to enhance the dissolving process. Once the bucket and vases is handled the powder dissolves quickly from the water turbulence.

**IMPORTANT: WARRANTY AND DISCLAIMER INFORMATION**

Pokon & Chrysal B.V. warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated in the label when used in accordance with directions under normal conditions of use; but this warranty of fitness for a particular purpose does not extend to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

**POKON & CHRYSAL B.V. SPECIFICALLY DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING THE WARRANTY OF MERCHANTABILITY.**
