NET CONTENTS:

## PRECAUTIONARY STATEMENTS

### Hazards To Humans & Domestic Animals

#### CAUTION

Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Do not use on edible crops.

#### Environmental Hazards

This pesticide is highly toxic to fish. Do not apply directly to water.

#### Physical And Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54.5°C) may cause bursting. Do not use on electrical equipment due to the possibility of shock hazard.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove pets, birds and cover fish aquariums before spraying. Prevent re-entry of dogs and cats into the treated area until spray deposits are dry.

Test product on an inconspicuous area before applying. Spray until surface is slightly wet but not to the point of runoff. Over application may cause damage. Will not stain surfaces or fabrics where water alone causes no damage.

Shake before using. Point spray nozzle away from face and press button, holding container as upright as possible.

Do not use on surfaces that can be harmed or stained by water.

#### TO KILL FLYING INSECTS:

*House Flies, Mosquitoes, Small Flying Moths, Gnats*: There is no need to spray directly at flying insects - the mist in the air will kill them. Close all doors and windows. Direct spray up into the air with a sweeping motion, keeping about 3 feet from interior walls, fabrics, furniture, until room is filled with mist. Keep room closed for 15 minutes.

*Wasps*: Spray directly at stray wasps that enter building.

#### TO KILL CRAWLING INSECTS:

*Roaches, Waterbugs, Silverfish, Crickets*: Spray hiding places such as baseboards and floorboards, moist places, openings around sinks, drains and pipes, behind bookcases, cabinets and other storage areas, hitting as many insects as possible.

*Ants*: Spray trails, hills, around window frames and openings around pipes and baseboards where ants crawl, hitting as many as possible.

*Spiders, Centipedes, Sowbugs*: Spray webs and places where these pests crawl. Hit as many as possible.

*Carpet Beetles*: Hit these bugs directly with spray on sections of floor, baseboards, shelves and underside of carpets.

*Bedbugs*: Spray baseboards, moldings, floor boards. Spray mattresses, particularly around seams and tufts. Take beds apart and spray into all joints.

*Fleas*: Spray floors, floor coverings and sleeping quarters of pets.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Keep in a cool dry area away from [inaccessible to] children and pets. Do not transport or store below 32°F. [Protect from freezing.] [Do not freeze.]

**Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

[This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label.]

#### IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

**CONDITIONS:** The directions for use of this product are believed to be adequate and should be followed carefully. However, it is

impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Valent BioSciences Corporation. All such risks shall be assumed by the user or buyer.
