Subject: Amended Labeling to Add Pest
Pyrenone General Purpose Household Spray
EPA Registration Number: 73049-226
Application Dated: March 13, 2012
Decision: 462559

Dear Dr. Assaf:

The label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

If you have any questions, please contact Melody Banks on 703 305-5413 or via E-mail @ banks.melody@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard Gebken".

PRECAUTIONARY STATEMENTS

Hazards To Humans & Domestic Animals

CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space spraying in food processing plants, wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use.

Remove pets and birds, and cover fish aquaria before spraying. Prevent re-entry of dogs and cats into treated area until spray deposits are dry.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

Physical and Chemical Hazards

Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CONTACT SPRAY: To kill ants (including carpenter, fire, harvester & pharaoh ants), centipedes, cockroaches (including American, German & Oriental cockroaches), fleas, spiders (including brown recluse, black widow & hobo spiders), ticks, (including deer, brown dog and American dog ticks), chiggers, black flies, deer flies, horse flies, house flies, mosquitoes, gnats, biting midges, wasps and yellow jackets: Spray where insects congregate and individual pests when seen. Spray [1-2 pumps of trigger] [1-3 grams] contacting insects directly. Insects contacted by spray will be killed.

SPACE SPRAY

FOR RAPID CONTROL OF *Houseflies, Fruit Flies, Mosquitoes, Gnats, Small Flying Moths, Sand Flies, Wasps* and *Hornets*: Close doors and windows and shut off ventilating systems. Apply using a good machine adjusted to deliver a fine mist. Direct spray toward the upper portions of the room to fill the entire area with mist, using 1 to 2 ounces per 1000 cubic feet of space. Vacate the treated area and ventilate before reoccupying. Keep the area closed for ten minutes after treating.

SURFACE APPLICATION

TO CONTROL *Roaches, Silverfish, Crickets* and *Spiders*: Apply as a coarse wetting spray directed into locations where these insects may hide, behind baseboards, moldings, cabinets, shelves, sinks, door and window frames, around plumbing, drains and in dark corners and into cracks and crevices, hitting insects with the spray whenever possible.

Against *Ant* infestations, treat shelves, cabinets and storage areas; spray ant runs, trails, baseboards, thresholds and other places of entry and treat nests liberally.

In controlling *Fleas* and *Brown Dog Ticks* in houses, direct the application toward the lower wall portions, baseboards, rugs, carpets and floors of infested areas. Also spray animal quarters, kennels and bedding.

To control *Bedbugs* effectively, apply liberally to top, ends, sides and bottom of mattresses, spraying thoroughly all tufts, seams and folds. Spray springs and frame, directing the liquid into all cracks and lock joints. Treat walls, baseboards, moldings, floors, closets and bedroom furniture, picture frames, with particular attention to protected bedbug hiding and breeding places.

FOR MOST EFFECTIVE CONTROL OF *Clothes Moths* and *Carpet Beetles*, remove infested articles from storage, brush thoroughly and, if possible, air several hours in direct sunlight. Apply spray liberally in empty chests, closets, bureaus and storages, directing the liquid into cracks, joints and crevices. After airing, infested articles may be treated by holding the spray nozzle at least 3 feet away from the fabric and applying the liquid lightly to the seams to avoid the possibility of staining. Treat both sides of rugs, carpets and pads, and all exposed and accessible surfaces of over-stuffed furniture. Do not overspray if products are made of rubber or are rubber coated, to prevent expansion or swelling. Repeat treatments monthly unless the articles are stored in moth-tight containers.

TO CONTROL INFESTATIONS OF *Granary Weevils, Rice Weevils, Saw-Toothed Grain Beetles, Confused Flour Beetles, Rusty Grain Beetles, Red Flour Beetles, Caddis, Meal Worms, Grain Mites, Angoumois Grain Moths, Indian Meal Moths* and *Mediterranean Flour Moths* IN FOOD STORAGE AREAS: If possible clean out and destroy any infested food products; otherwise, fumigate or treat with other effective means using an approved product intended for this purpose. Apply this spray thoroughly to all surfaces of shelves, cabinets, bins, pantries and similar food storage areas with particular attention to cracks, crevices, niches and other hiding places.

4/4

FOG OR VAPOR SPRAY: To kill accessible or exposed stages of insects named on this label (excepting *Clothes Moths*, *Bedbugs* and *Carpet Beetles*): Apply using conventional mechanical or compressed air equipment. Fill the entire area with mist using 3 to 6 ounces per 1000 cubic feet of space.

STORAGE AND DISPOSAL

Do not contaminate water food or feed by storage or disposal.

CONTAINERS LARGER THAN ONE GALLON

Pesticide Storage And Spill Procedures: Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Non-refillable container. Do not reuse or refill this container. Offer for recycling if available.

FOR CONTAINERS EQUAL OR LESS THAN ONE GALLON (Residential):

Pesticide Storage: Store in original container in a cool, dry area away from children and pets.

Pesticide Disposal: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Valent BioSciences Corporation. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, VALENT BIOSCIENCES CORPORATION MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. No agent of Valent BioSciences Corporation is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Valent BioSciences Corporation disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

LIMITATIONS OF LIABILITY: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER FOR ANY AND ALL LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID, OR AT VALENT BIOSCIENCES CORPORATION'S ELECTION, THE REPLACEMENT OF PRODUCT.
