PRECAUTIONARY STATEMENTS
Hazards To Humans & Domestic Animals

CAUTION

Harmful if inhaled. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Avoid contamination of feed and foodstuffs.

Do not treat or cause exposure of kittens or puppies less than twelve (12) weeks old. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Physical and Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Remove protective cap, hold container upright, with nozzle away from you. With nozzle 10 to 12 inches away, direct spray over the animal, beginning at the tail, spray over the animal until the entire coat is damp up to the back of the neck. On longhaired dogs and cats, ruffle the coat and spray against the lay of hair, spraying directly behind hand so that spray reaches skin. Wear disposable gloves when applying product in this manner. For best results in controlling tick infestations, locate ticks and spray directly on them. Avoid spraying face and genitals. An application of 30 to 45 seconds is usually sufficient for an average size dog, for cats about 10 seconds is adequate. Repeat application weekly if necessary.

NOTE: Do not treat or cause exposure of kittens or puppies less than twelve (12) weeks old.

To control infestation in kennels or sleeping quarters, after treating animals as directed, spray bedding, walls, cracks, crevices, and flooring. Always remove infested bedding before spraying in kennels or sleeping quarters.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat or open flame.

Disposal: Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product.
