DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a original container in a cool dry place inaccessible to children and pets and away from heat and direct sunlight. Protect from freezing.

Disposal: Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash.

SHAKE WELL BEFORE USING

ON PETS

Start spraying at the tail, moving dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under body. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes, face or genitals. Repeat application weekly, if necessary.

ON LIVESTOCK

To protect cattle, horses and hogs from **Horn Flies, House Flies, Mosquitoes, and Gnats** apply a light mist sufficient to wet the surface of the hair. To control **Stable Flies, Horse Flies** and

Deer Flies, apply at a rate of 2 ounces per adult animal sufficient to wet the hair thoroughly. Repeat treatment daily or at intervals necessary to give continued protection.

To control **Blood Sucking Lice**, apply to the infested areas of the animal, using a stiff brush to get the spray to the base of the hair. Repeat every 2 or 3 weeks if required.

To control **Poultry Lice**, spray roosts, walls and nests or cages thoroughly. This should be followed by spraying over the birds with a fine mist.

For control of **Bedbugs** and **Mites** in poultry houses, spray crevices of roost poles, cracks in walls, and cracks in nests where Bedbugs and Mites hide.

ON PREMISES

To control **Fleas** and **Brown Dog Ticks** on premises: Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames, and localized areas of floor and floor covering. Fresh bedding should be placed in animal quarters following treatment. Concurrent treatment of animals is recommended. Repeat treatment if insects return.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
