NET CONTENTS:

PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

CAUTION

Harmful if inhaled or absorbed through skin. Avoid breathing spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Use with adequate ventilation. Do not apply this product in any rooms while occupied by patients, the elderly or infirm. Do not apply to classrooms when in use. Prevent re-entry of dogs and cats into treated area until spray deposits are dry.

Physical and Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use on or around electrical equipment due to the possibility of shock hazard.
Do not use on surfaces that can be harmed or stained by water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING AND AT INTERVALS DURING PROLONGED USE

This product is for use on inanimate surfaces only. For control of lice on humans use a pediculicide (lice treatment) specifically designed for that purpose.

Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where food may be prepared or held. Nonfood areas include garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning and bottling). In the home, cover all food handling surfaces and cover or remove all food and cooking utensils or wash thoroughly after treatment. Cover or remove exposed food ~~should be covered or removed.~~

FOR USE ON INANIMATE SURFACES including garments, bedding, mattresses, furniture, floor and carpeting. Hold can upright with nozzle away from you. Press button and spray surface to be treated from a distance of 10 inches. First treat an inconspicuous area to test for possible staining or discoloration, inspect after drying, then proceed to spray the entire area to be treated. Treat each square foot for 3 seconds, directing the spray to moisten all infested surfaces. In treating bedding, make sure the spray is directed into all corners of fitted sheets and blankets as well as the inside and outside of pillow cases. In treating garments and headgear, (including sports gear that may be passed from player to player) close attention should be given to seams, hems, cuffs, collars, and creases. After treatment, bedding and all garments must be either laundered in hot water or dry cleaned. For mattresses, furniture and carpeting: direct spray to moisten all folds, tucks, seams and crevices of infested areas. Allow the treated surface to dry completely before use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool dry area. ~~Do not incinerate or puncture.~~ Do not transport or store below 32°F.

Disposal: ~~Wrap container in several layers of newspaper and dispose of in trash.~~ Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Valent BioSciences Corporation.
