Subject: Amended Reregistration Label
Product Name: TETRAPERM® AS TRA
EPA Registration Number: 73049-416
EPA Decision Numbers: 369184, 410102, 413124, 436124

Dear Dr. Assaf:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Tetramethrin, Permethrin, Triethylene Glycol, and Piperonyl Butoxide REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lotnumber, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 13 April, 2010
- Alternate CSF #1, dated 13 April, 2010
- Alternate CSF #2, dated 13 April, 2010

- Alternate CSF #3, dated 13 April, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Clayton Myers at 703-347-8874 or myers.clayton@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager
Insecticide Branch
Registration Division (7505P)

[Indoor Use Only – Icon]

- TetraPerm AS TRA is unique because it combines the guaranteed, patented power of TetraPerm in a dry formula that kills bugs, temporarily reduces odor causing bacteria in the air, and leaves the room smelling clean and fresh. 3 jobs in one now made quick and easy. And with TetraPerm's dry formula, there's also no need to worry about staining or discoloring your fine furniture or upholstery. When fogging to kill insects TetraPerm AS TRA simultaneously sanitizes the air and leaves a fresh scent. TetraPerm AS TRA contains an active ingredient that temporarily reduces airborne bacteria which cause odors and leaves no lasting odor after airing out a room. Because of the nature of this product (killing insects and controlling airborne bacteria) be sure to follow the label use directions explicitly. Do not use solely as an air freshener or sanitizer. For insecticide use only.

OR

- TetraPerm AS TRA provides:
 - Guaranteed patented power of TetraPerm that kills bugs, sanitizes the air, and leaves the room smelling clean and fresh
 - A clean, dry, mess-free fog that makes it easy to use with no clean up and no need to worry about staining or discoloring fine furniture or upholstery
 - Non-flammable
 - Do not use solely as an air freshener or sanitizer. For insecticide use only.

OR

- TetraPerm AS TRA is unique because it combines the guaranteed power of TetraPerm that kills bugs, plus an active ingredient that temporarily reduces airborne bacteria which cause odors, and leaves the room smelling clean and fresh. TetraPerm's dry formula now makes it quicker and easier to fog entire garages and basements. And with TetraPerm's dry formula, there's also no need to worry about lingering product residues that can stain [damage] car finishes or other stored valuables [items]. Because of the nature of this product (killing insects and controlling airborne bacteria) be sure to follow the label use directions explicitly. Do not use solely as an air freshener or sanitizer. For insecticide use only.

PRODUCT FACTS:

Patented Technology: Kills bugs, temporarily reduces odor causing bacteria in the air, and leaves the room smelling clean and fresh.

Easy to Use: Non-flammable.

Kills exposed or accessible stages of these insects: ants, booklice, carpet beetles, centipedes, cockroaches [roaches], confused flour beetles, crickets, earwigs, firebrats, fleas (adults and larvae), flies, fruit flies, gnats, grasshoppers, hornets, houseflies, midges, millipedes, mole crickets, mosquitoes, palmetto bugs, pillbugs, rice weevils, saw-toothed grain beetles, scorpions, silverfish, small flying moths, sowbugs, spiders, stable flies, ticks, wasps, waterbugs and yellow jackets.

Where to Use: Kitchens, living areas, garages, attics, basements, boats, and pet areas.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions

- Do not remain in treated area. Exit area immediately and do not re-enter or allow adults, children, or pets to enter until vapors, and/or mist have dispersed and the treated area has been thoroughly ventilated.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Wait two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected additional ventilation is required.
- Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.
- Do not use in greenhouses where plants are grown for food.
- Remove pets, birds and cover any water inhabited by fish (such as aquariums and ornamental fish ponds) before application. Turn off aquarium filtering systems before spraying and wait approximately 15 minutes after application before turning the filter back on.

One 2 oz aerosol can treats up to 2,000 cubic feet of unobstructed area (a room 10' x 25' with an 8 foot ceiling).

[To calculate cubic feet, multiply height x width x length.]

[Size of container, cubic feet and room size may be adjusted as long as the use rate remains 1 ounce per 1,000 cubic feet of space.]

Does not control bed bugs.

[HOW TO USE:]

{graphic size
2.25 cm x 3.5
cm minimum}

To use this product correctly:

DO NOT use multiple canisters in a room.

{graphic size
2.25 cm x 3.5
cm minimum}

DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms.

{graphic size
2.25 cm x 3.5
cm minimum}

[Step 1:] BEFORE YOU FOG:

REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. OPEN cabinets, cupboards, trunks, drawers, closets and doors in area to be treated to allow maximum kill in all areas where insects can hide and breed. Cover waxed wood floors, waxed furniture and other plastic surfaces near the fogger (newspaper may be used). CLOSE outside doors and windows to maximize killing power of fog. Cover or remove plants. SHUT OFF fans and air conditioners.

{graphic size
2.25 cm x 3.5
cm minimum}

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc). Call your gas utility or management company if you need assistance.

{graphic size
2.25 cm x 4 cm
minimum}

[Step 2:] TO START FOGGING:

SHAKE WELL JUST BEFORE USING. Do not place on water stainable surface. Place a chair or table in the center of area to be fogged approximately 2 ft above the floor. Cover with several layers of newspaper or paper towels. Tilt can opening AWAY from face and depress tab firmly with thumb until it clicks in locked position. Set fogger on newspaper. **Vacate the treated house, individual apartment unit, or other structure immediately. Do not re-enter for 2 hours.** [Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.]

{graphic size
2.25 cm x 3.5
cm minimum}

[Step 3:] AIRING OUT:

Before reoccupying the area, open all doors and windows and allow treated area to air for two (2) hours.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in cool dry area away from children.

Pesticide Disposal and Container Handling: Do Not Puncture or Incinerate! **If Empty:** Place can in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions.

[This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label.]

PRECAUTIONARY STATEMENTS**Hazards To Humans & Domestic Animals**

CAUTION: Harmful if swallowed. Harmful if absorbed through skin. Harmful if inhaled. Caused moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Breathing spray mist may be harmful. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before use.

FIRST AID

If Swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If on Skin or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If Inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-877-315-9819.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Valent BioSciences Corporation. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, VALENT BIOSCIENCES CORPORATION MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL.
