DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR HOUSEHOLD USE ONLY

[For Use with box that contains Three 2 oz cans]

One 2 oz can will treat an area up to 3200 cu ft (20' x 20' with an 8' ceiling)

[For Use with box that contains Six 2 oz cans]

Six 2 oz cans will treat an average 2400 square foot [sq.ft] home (50' x 48' with an 8' ceiling).

[For Use with box that contains three 3.75 oz cans]

Each can will treat 6000 cu ft (30' x 25' with an 8' ceiling)

[Note to Reviewer – The printed label will include the 2 listed bullet points below or the Products Facts Box]

[Kills ants (except fire, carpenter & Pharaoh ants) [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse & black widow), brown dog ticks, silverfish, firebrats]

[Use In: Apartments, Homes, Attics, Basements, Garages, Household Storage Areas]

[PRODUCT FACTS:

Double [Dual] Action: Kills insects and leaves a fresh scent.

Insects: Kills ants (except fire, carpenter & Pharaoh ants) [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse & black widow), brown dog ticks, silverfish, firebrats

Where to Use: Apartments, homes, attics, basements, garages, household storage areas]

HOW TO USE:**Step 1: PREPARATION**

OPEN cabinets, cupboards, drawers, closets and doors in area to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. REMOVE pets and birds, cover and turn off fish aquariums before use. Cover waxed wood floors, waxed furniture and other plastic surfaces near the fogger (newspaper may be used). CLOSE outside doors and windows. SHUT OFF fans and air conditioners. DO NOT use more than one fogger per room.

DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. DO NOT use in a room 5 ft x 5 ft or smaller; instead allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle on and off (i.e., refrigerators, thermostats, etc.) Call your gas utility or management company if you need assistance.

Step 2: ACTIVATION OF FOGGER

Do not place on water stainable surface. Place a chair or table in the center of area to be fogged approximately 2 ft above the floor. Cover with several layers of newspaper or paper towels. Tilt can opening AWAY from face and depress tab firmly with thumb until it clicks in locked position. Set fogger on newspaper. Immediately leave treated area and keep area closed for at least 4 hours. Before reoccupying the area, open all doors and windows and allow treated area to air for 30 minutes.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place away from heat or open flame, preferably in a locked storage area.

Disposal: Do Not Puncture or Incinerate!

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards To Humans & Domestic Animals**

Caution: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
If swallowed:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor. You may also contact 1-xxx-xxx-xxxx for emergency medical treatment information.

NOTE TO PHYSICIAN

Contains petroleum distillate – vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label carefully.
