

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Registration Number:
73079-13

Date of Issuance:
11/3/2011

NOTICE OF PESTICIDE:
 Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance: **unconditional**

Name of Pesticide Product:
InVict AB Bait Station

Name and Address of Registrant (include ZIP Code):
Cisse W. Spragins
Rockwell Labs, Ltd.
1257 Bedford Rd.
North Kansas City, MO 64116

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment (changes apply to both PVC and metal container sublabels):
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 73079-13."
 - b. Add the pests controlled to the initial Directions For Use paragraph so it reads: "For use to control roaches, silverfish, and ants (excluding fire, carpenter, and harvester ants) in homes, apartments,"
 - c. Change the similar header to read simply "Food Processing and Handling Establishments", i.e. delete "including federally-inspected food plants."
3. Per the indicated EPA Guidelines, submit the following within 18 months measured from the effective date of this registration.
 - a. one year storage stability (830.6317) (measurements at 0, 3, 6, 9, and 12 months)
 - b. corrosion characteristics (830.6320) (measurements at 0, 3, 6, 9, and 12 months)
4. Submit one copy of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label stamped "accepted with comments" is enclosed for your records.

ACCEPTED
With COMMENTS
In EPA Letter Dated:
NOV 03 2011
Under the Federal Insecticide, Fungicide
and Rodenticide Act, As amended, for the
pesticide Registered under EPA Reg. No:
73079-13

DO NOT ALLOW CHILDREN OR PETS TO PLAY WITH BAITS
CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION: Causes moderate eye irritation.
Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water
after use and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow bait to enter or run off into storm drains,
drainage ditches, gutters or surface waters.

First Aid

If in Eyes: -Hold eye open and rinse slowly and gently with water for 15-20 minutes.
-Remove contact lenses, if present, after the first five minutes, then continue rinsing.
-Call a poison control center or doctor for treatment advice.

Have the product or label with you when calling a Poison Control Center or doctor or
going for treatment. In case of emergency, for additional information call **800 858 7378**.

[NOTICE: Buyer assumes all responsibility for safety and use not in accordance with
directions.]

NOTE:

[Pictograms: Ant/Roach/Silverfish/Bait Station/Suggested Placement]

[How It Works:]

- [Bait attracts foraging worker ants.]
- [Ants enter bait station and take food back to the colony.]
- [Ants share the bait with other ants, killing the queen and the colony.]
- [A reduction in ant activity should occur within 3-7 days after bait placement.]

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For use in homes, apartments, commercial, industrial, municipal, institutional, research, recreational, health care, educational, daycare, hospitality and agricultural buildings and other man-made structures, garages, transport vehicles, sewers, animal research facilities, and food service, storage, handling and processing establishments

1. Remove bait from package and break bait stations apart.
2. [Peel label off of adhesive sticker on the back of the station.]
3. Place / stick stations label side down where pests are seen or pest activity is suspected to occur.
4. Do not place on food preparation surfaces when food is being handled or on utensils that are used for food preparation.

Remove other sources of food, like crumbs, sugar and grease spots. Common areas to place baits include: along baseboards, in corners of rooms and cabinets, on countertops, under and behind appliances, under sinks, around pipes and water sources, in pantry, on window sills and around doorways, near garbage cans, and along pest trails.

[Helpful Tips:]

- [Do not place bait stations where insecticide has recently been sprayed, as pests may avoid the bait stations]
- [For best results, all X bait stations should be used at once.]
- [For large areas or heavy infestations, additional bait stations are recommended.]
- [Replace bait stations once most of the bait has been eaten, or at least every three months to keep pests from coming back.]

Food Processing and Handling Establishments, Including Federally-Inspected Food

Plants: Food areas include serving areas while the establishment is in operation, areas for receiving, storing, packing, and preparation, and edible waste storage and enclosed processing systems. Do not contaminate food and feedstuffs. Use as instructed above.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a dry place, below 130 °F. Do not store where children or animals may gain access.

Container Handling and Disposal: If empty: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or **1-800-CLEANUP** for disposal instructions.

[Warranty Limitations and Disclaimer

To the extent consistent with applicable law, seller makes no warranty expressed or implied, concerning the use of this product other than as indicated on the label. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used or handled in accordance with this label. To the extent consistent with applicable law, there are no expressed or implied warranties of merchantability or fitness for any particular purpose, except as specifically stated herein. To the extent consistent with applicable law, manufacturer shall not be liable for any consequential damages based on the use of the product.]
