DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Information: This product can be used food contact surfaces such as sink tops, countertops, refrigerated storage, food trays, tables and chairs, appliances, grocery carts, thermometers, proximity switches, control panels, tools, door handles, scales, display equipment and other hard, non-porous surfaces. Do not use this product to sanitize eating utensils, dishes, glassware, cookware, wood cutting boards and surfaces that are porous or areas that the wipe cannot reach or penetrate.

Alpet D2 Surface Sanitizing Wipes is a ready-to-use surface sanitizer that kills 99.999% of the following bacteria in 60 seconds on hard, non-porous surfaces: *Staphylococcus aureus* (ATCC 6538) and *Escherichia coli* (ATCC 11299).

Dispensing Directions: Unscrew lid counter-clockwise and remove. Remove seal from top of container. Remove and discard center tube. From center of towel roll, pull up wipe corner and feed through the center hole starting from the underside of the lid. Once wipe is exposed through the top of the lid, screw lid (clockwise) back onto the container. Pull wipes from container as needed and use immediately after removal from container. Ensure the wipe is visibly wet (saturated) before use. Note: the spring-loaded lid will close itself to ensure each wipe stays saturated and to prevent drying.

[Illustrations showing proper setup/dispense]

To Sanitize: Use Alpet D2 Surface Sanitizing Wipes on pre-cleaned surfaces only. On a clean surface, use Alpet D2 Surface Sanitizing Wipes to sanitize as directed. Treated surfaces must remain saturated for 60 seconds in order to achieve sanitization. Let air dry. Do not rinse. Discard wipe when it no longer saturates the surface or becomes dry. Do not reuse wipes that have dried out.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Keep this product under locked storage sufficient to make it inaccessible to children or people unfamiliar with its proper use. Store in a cool dry area away from flames, sparks or other sources of heat or ignition. If ignited, use dry chemical or CO₂ extinguisher.

Wipe Disposal: Store only in the original container. Do not reuse wipes. After each use, dispose of used wipe immediately in trash. DO NOT FLUSH.

Container Disposal: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available.
