U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 M St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
**73340-1**

Date of Issuance:  
**AUG 4 2000**

**NOTICE OF PESTICIDE  
Registration**

Term of Issuance:  
**conditional Registration**

Name of Pesticide Product:  
**UNCLE ALBERT'S SUPER SMART  
ANT BAIT**

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**C/O Lewis & Harrison  
A Safe Pest Eliminators, Inc.  
11338 SW 158th Place  
Miami, FL 33196**

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. Revise the EPA Registration Number to read, EPA Reg. No.73340-1
3. You should submit to the Agency an explanation and/or basis for the term "**SCIENTIFICALLY ADVANCED FORMULA**" or **remove** such terminology from the labeling.
4. Submit five (5) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

- Do not contaminate feed or food stuffs. Do not apply in serving areas while food is exposed.
- Place bait only in areas that are inaccessible to children and pets.

Ants are attracted to and will feed on Uncle Albert's Super Smart Ant Bait until they die. The ants return to their nests after consuming the bait and feed their young and the queen. When all of the members of the colony have consumed the bait, the entire colony will die.

Uncle Albert's Super Smart Ant Bait may be placed around and under areas where ants are trailing or have been seen crawling, including food cabinets, sinks, stoves, refrigerators, food storage areas, window sills and frames (as well as exterior window sills and doorways to help prevent entry of ants), openings around pipes, baseboards, attics, garages, basements, storage areas, closets, and other similar areas.

- FOR USE WITH BAIT CONTAINERS AND BAIT STATIONS: Wash hands thoroughly before handling bait containers and bait stations to remove any odors that may repel ants (i.e. tobacco, garlic, strong chemicals or cleaners, etc.). Fill bait containers with 0.25 oz. of Uncle Albert's Super Smart Ant Bait and place on the floor or on a flat surface in areas where ants are trailing or have been seen crawling.
- FOR DIRECT PLACEMENT: Make small, pea-sized placements and/or thin lines of Uncle Albert's Super Smart Ant Bait in areas where ants may crawl. Long thin lines allow many ants to feed on the bait.

Repeat placement of the bait as necessary until satisfactory results have been obtained.

Do not use sprays, foggers or any strong chemicals or cleaners near the bait containers or placements. This may contaminate the bait and cause ants to cease feeding.

### FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

- |                      |  |
|----------------------|--|
| <b>If Swallowed:</b> | <ul style="list-style-type: none"> <li>• Call a poison control center or doctor for treatment advice.</li> <li>• Have person sip a glass of water if able to swallow.</li> <li>• Do not induce vomiting unless told to do so by poison control center or doctor.</li> <li>• Do not give anything by mouth to an unconscious person.</li> </ul> |
| <b>If In Eyes:</b>   | <ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>   |

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store product in original container in a cool dry place out of reach of children. Do not allow product to freeze.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Do not reuse container. Wrap container in several layers of newspaper and discard in trash.

**NOTICE:** Buyer and user assume all risk and liability of use, storage and/or handling of this product not in accordance with the terms of this label.
