Rebecca M. Horton Consultant/Agent for AMBRANDS c/o Registrations by Design, Inc. P.O. Box 1019 Salem, VA 24153

SUBJECT: Application for Pesticide Notification per PR Notice 98-10: Additional Size Packaging AMDRO® Fire Ant Bait EPA Reg. No. 73342-1 Application Dated November 13, 2009

Dear Ms. Horton:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of this PRN. The label that was submitted with the above application is acceptable, date-stamped "Notification", and will be placed in our records.

If you have any questions, please contact me directly at 703-305-5335 or Terri Stowe of my staff at 703-305-6117.

Sincerely,

Rachel C. Holloman

Paul Mastradone, Acting Notifications & Minor Formulations Team Leader Registration Division (7505P) Office of Pesticide Programs

# **VERSION A – CONSUMER LABEL**

# PRECAUTIONARY STATEMENTS ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

## How AMDRO Fire Ant Bait Works:

- 1. AMDRO is a bait. Worker ants carry it into the mound as food for the colony.
- 2. They eat it and feed it to the queen. AMDRO starts to kill ants immediately.
- 3. In about a week, the queen is dead, which destroys the mound.

# **DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is not for use on vegetable or other food crops, timber, or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

**Application Restrictions:** Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

Application Tips:

- For best results, apply in early morning or late afternoon when ants are most active.
- Do not apply when ground is soaking wet or when heavy rains are expected. Do not water-in after application. [No need to water-in after application.]
- For convenient applications over large areas, broadcast AMDRO Fire Ant Bait Yard Treatment (insert graphic of Yard Treatment).

# OUTDOOR USE:

For large infested areas: Using a hand-held granular spreader, broadcast AMDRO at 2 to 4 ounces per 5,000 square feet (1 to 2 pounds per acre).

**For individual mounds:** Sprinkle 2 to 5 level tablespoons of AMDRO around the mound. Do not disturb the mound. Use a disposable scoop (do not use a kitchen utensil). For best results, apply AMDRO when ants are active. Repeat application as needed.

AMDRO fire ant bait controls imported and native fire ants and other ants, such as consider ants, bigheaded ants and Argentine ants. AMDRO fire ant bait is for use ONLY on lawns, landscaped areas, golf courses, commercial grounds, parks, and <u>btheform</u> non-cropland areas, as well as on grounds surrounding poultry houses (excluding runs and ranges) or corrals and other animal holding areas. AMDRO may be applied to pastures and rangeland if used ONLY for COMPANION ANIMALS (horses, damas, "etc.). Companion animals grazed on treated areas cannot be used for footbor feed: D60 not graze or feed treated lawn or sod clippings to livestock. Avoid direct exposure of "constraints" animals to AMDRO granules.

EPA Reg. No. 73342-1 November 13, 2009 - notification EPA Est. No. 5905 AR-୩. Page 2 of 8 Påĝës

# **STORAGE and DISPOSAL**

Pesticide Storage: Store in cool, dry, secure place and keep container closed. Store container away from pets. When properly stored, this product will retain its effectiveness for up to 3 months after the package has been opened.
Pesticide Disposal: If partially filled – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
Container Disposal: If empty – Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

**NOTICE:** To the extent consistent with applicable law, Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

# VERSION B (COMMERCIAL LABEL)

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS

# Personal Protective Equipment (PPE)

Applicators and other handlers must wear:

- Long-sleeve shirt and long pants
- Socks and shoes

#### **User Safety Requirements**

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

## **User Safety Recommendations**

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

#### **ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

## **General Information:**

AMDRO fire ant bait is highly attractive to imported and native fire ants, and other ants. Worker ants carry it into the mound as food for the colony. They eat it and feed it to the queen. AMDRO fire ant bait starts to kill ants immediately. In about a week, the queen is dead, which destroys the mound. Further information regarding ants may be obtained from your Cooperative Agricultural Extension Service.

# DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is not for use on vegetable or other food crops, timber or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

**Application Restrictions:** Do not apply this product by any method not specified on this label. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

EPA Est. No. 5905-AR-1 Page 6 of 8 Pages

# OUTDOOR USE:

TREATMENT	RATE	COMMENTS		
Individual Mounds: Imported & native fire ants Harvester ants Bigheaded ants Argentine ants	2 to 5 level tablespoons	Distribute bait uniformly around the mound. Do not disturb the mound. Do not apply more than 2 lb/acre. Do not contaminate kitchen utensils by use or storage.		
Broadcast Treatment: Imported & native fire ants Harvester ants	1 – 1.5 lb/acre [2 – 3 oz/5,000 sq. ft.]	Broadcast bait uniformly with ground equipment (granular spreaders).		
Broadcast Treatment: Bigheaded ants Argentine ants	1 – 2 lb/acre [2 – 4 oz/5,000 sq. ft.]	Broadcast bait uniformly with ground equipment (granular spreaders).		

Apply when ants are active (typically when soil temperature is greater than 60° F). Repeat application as needed.

AMDRO fire ant bait controls imported and native fire ants and other ants, such as harvester ants, bigheaded ants, and Argentine ants. This product is for use on lawns, landscaped areas, golf courses, commercial grounds, parks, and other non-cropland areas such as airports, roadsides, cemeteries, commercial grounds, parks, school grounds, picnic grounds, athletic fields and other recreational areas, and as well, on grounds surrounding poultry houses (excluding runs and ranges) or corrals and other animal holding areas. Avoid direct exposure of animals to AMDRO granules.

Do not graze or feed treated lawn or sod clippings to livestock.

# STORAGE and DISPOSAL

**Prohibitions:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**Pesticide Storage:** Store in cool, dry, secure place and keep container tightly closed. Store container away from pets. This product is formulated in oil bait. Prolonged exposure to air may turn oil rancid and reduce the attractiveness of the bait. Use within 3 months after opening.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. (Plastic) Triple rinse (or equivalent). Then offer for recycling or reconditioning if available, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by state or local authorities, by burning. If burned, stay out of smoke. (Paper) Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or by incineration, or if allowed by state or local authorities, by

burning. If burned, stay out of smoke.

General: Consult Federal, state or local disposal authorities for approved alternative procedure.

**NOTICE:** To the extent consistent with applicable law, Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

In case of emergency endangering life or property involving this product, call x-xxx-xxxx.
