# NOTICE OF PESTICIDE Registration

(under FIFRA, as amended)

EPA Reg. Number:  
**73342-5**

Date of Issuance:  
**NOV 19 2001**

Term of Issuance:  
**Conditional Registration**

Name of Pesticide Product:  
**Amdro® Fire Ant Bait Yard Treatment**

Name and Address of Registrant (include ZIP Code):

**Ambrands**  
**2255 Cumberland Parkway, Bldg. 500, Ste. 200**  
**Atlanta, GA 30339**

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

a. Revise the EPA Registration Number to read, EPA Reg. No. 73342-5

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion Johnson  
Product Manager 10  
Insecticide Branch

ACCEPTED  
with COMMENTS  
In EPA Letter Dated  
NOV 19 2001  
The Federal Insecticide,  
Fungicide, and Rodenticide  
Act, for the purpose  
of registration under FIFRA 1974  
73342-5

**FIRST AID**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact (phone number) for emergency medical treatment information.

<b>If swallowed</b>	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
<b>If on skin or clothing</b>	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION!**

**May be harmful if swallowed.** Avoid contact with skin, eyes, and clothing. Wash hands thoroughly with soap and water after handling. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

**Environmental Hazards:** This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from target areas.

**HOW AMDRO FIRE ANT BAIT WORKS:**

1. AMDRO is a bait. Worker ants carry it into the mound as food for the colony.
2. They eat it and feed it to the queen. AMDRO starts to kill ants immediately.
3. In about a week the queen is dead, which destroys the mound.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Outdoor Use:**

**For large infested areas:** Using a rotary broadcast spreader or hand held granular spreader broadcast AMDRO at 5 lb. per 5,000 to 10,000 sq. ft. For best results, apply when ants are active (typically when soil temperature is greater than 60°F). Repeat application as needed.

AMDRO Fire Ant Bait controls imported and native fire ants and other ants, such as harvester ants, bigheaded ants, and Argentine ants. AMDRO fire ant bait is for use ONLY on lawns, landscaped areas, golf courses, commercial grounds, parks and other noncropland areas, as well as on grounds surrounding poultry houses (excluding runs and ranges) or corrals and other animal holding areas. Avoid direct exposure of animals to AMDRO granules.

Do not graze or feed treated lawn or sod clippings to livestock.

This product is not for use on vegetable or other food crops, timber or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in cool, dry, secure place and keep container closed. Store container away from children and pets. When properly stored, this product will retain its effectiveness for up to three months after the package has been opened.

**DISPOSAL:** *If empty* -- Do not reuse this container. Do not rinse unless required for recycling. Place in trash. *If partially filled* -- Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Unless otherwise indicated, place in the trash. Never pour unused product down the drain or on the ground.
