SUBJECT: Applications for Pesticide Notification – Revisions to Warranty & Storage,
Disposal Statements per PR Notice 2007-4, & Other Administrative
Labeling Changes

AMDRO® Fire Ant Bait	EPA Reg. No. 73342-1
Application Dated December 13, 2007	
AMDRO® Lawn and Garden Ant Bait	EPA Reg. No. 73342-3
AMDRO® Fire Ant Bait Yard Treatment	EPA Reg. No. 73342-5 ✓
Applications Dated December 14, 2007	

Dear Ms. Horton:

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 and 2007-4 for the above products. The Registration Division (RD) has conducted a review of these requests for their applicability under PRN 98-10 and 2007-4 and finds that the actions requested falls within the scope of PRN 98-10 and 2007-4. The labels submitted with the applications have been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Terri Stowe of my staff at 703-305-6117.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

Re: NOTIFICATION FOR COMPLIANCE WITH PR NOTICE 2007-4
EPA Reg. No. 73342-5, AMDRO[®] Fire Ant Bait Yard Treatment

Attn: Linda Arrington
Notifications & Minor Formulations Team Leader

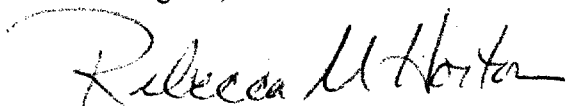

On behalf of Ambrands, of Atlanta, Georgia, enclosed is notification of administrative label revisions, including revision to the Storage & Disposal text for compliance with PR Notice 2007-4, removal of 1-800-CLEANUP from the Storage & Disposal section, revised warranty statement, and updated company address.

The following documents are enclosed:

- 1) EPA Form #8570-1, Application for Pesticide – Notification (2 copies)
- 2) Copy of the proposed label with revisions highlighted in blue.

If further action or information is required on Ambrands' behalf, please advise.

Best regards,

Rebecca M. Horton

Net Weight: XXX

NOTIFICATION

OCT 23 2008

**PRECAUTIONARY STATEMENTS
ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from target areas.

HOW AMDRO FIRE ANT BAIT YARD TREATMENT WORKS:

1. This product is a bait. Worker ants carry it into the mound as food for the colony.
2. They eat it and feed it to the queen. It starts to kill ants immediately.
3. In about a week the queen is dead, which destroys the mound.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoor Use:

For large infested areas: Using this convenient shaker bag, rotary broadcast spreader or hand held granular spreader, broadcast this product at 5 lb. per 5,000 (heavy infestations) to 10,000 (light infestations) sq. ft. (11 lb. per 11,000 to 22,000 sq. ft.; 7.5 lb. per 7,500 to 15,000 sq. ft.; 5.5 lb. per 5,500 to 11,000 sq. ft.; 2.5 lb. per 2,500 to 5,000 sq. ft.) For best results, apply when ants are active (typically when soil temperature is greater than 60°F). Repeat application as needed.

This product controls imported and native fire ants and other ants, such as harvester ants and bigheaded ants. This product is for use ONLY on lawns, landscaped areas, golf courses, commercial grounds, parks and other noncropland areas, as well as on grounds surrounding poultry houses (excluding runs and ranges) or corrals and other animal holding areas. Avoid direct exposure of animals to this product.

Application Tips:

- For best results, apply in early morning or late afternoon when ants are most active.
- Do not apply when ground is soaking wet or when heavy rains are expected. Do not water-in after application. [No need to water-in after application.]
- For convenient application to individual mounds, use AMDRO Fire Ant Bait (insert graphic of AMDRO Fire Ant Bait).

Do not graze or feed treated lawn or sod clippings to livestock.

This product is not for use on vegetable or other food crops, timber or plants grown for sale or other commercial use, or for commercial seed production, or for research purposes.

AMDRO
CEBO PARA HORMIGAS DE FUEGO
TRATAMIENTO PARA PATIOS

ELIMINA A LA RENA, RÁPIDO

Brina un control que dura toda la estación

ELIMINA A LAS HORMIGAS DE FUEGO EN TODO EL PATIO

DESTRUYE LAS GUARIDAS VISIBLES Y OCULTAS

Evita la formación de nuevas guaridas

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS
PRECAUCIÓN

Revise el reverse para obtener declaraciones de precaución adicionales

CÓMO FUNCIONA EL TRATAMIENTO PARA PATIOS AMDRO:

1. Este producto es un cebo. Las hormigas obreras lo transportan a su hormiguero como alimento para la colonia.
2. Las hormigas lo comen y alimentan con eso a la reina. Comienza a eliminar a las hormigas de inmediato.
3. Aproximadamente luego de una semana de morir la reina, se destruye el hormiguero.

INSTRUCCIONES

Usar este producto de modo inconsistente con las indicaciones de su etiqueta constituye una violación de la ley Federal. **Usa en exteriores**

Para grandes zonas infestadas: Mediante un esparcidor de siembra a voleo giratorio o un esparcidor granular manual, disemine este producto a 5.5 libras por 5,500 - 11,000 pies cuadrados. Para mejores resultados, aplique cuando las hormigas se encuentren activas (comúnmente cuando la temperatura de la tierra es mayor de 60°F). Repita la aplicación según sea necesario.

Este producto controla a las hormigas de fuego importadas y oriundas y otros tipos de hormigas, tales como las hormigas cosechadoras y las hormigas cabezotas. Este producto es para ser utilizado SÓLO en el césped, paisajes, campos de golf, terrenos comerciales, parques y otras zonas no cultivadas, así como en los terrenos que rodean a los gallineros (excluyendo los pastizales) o corrales y otras zonas que encierran animales. Evite la exposición directa de este producto a los animales.

Consejos de la aplicación:

- Para mejores resultados, aplique temprano en la mañana o en la tarde cuando las hormigas se encuentran más activas.
- No aplique cuando el terreno se encuentre muy mojado o si se esperan fuertes lluvias. No riegue después de la aplicación.
- Para la aplicación conveniente en guaridas individuales, use el cebo para las hormigas de fuego AMDRO.

No apaciente ni alimente al ganado con el césped tratado o los restos de su poda. No se debe usar este producto en cultivos de vegetales u otros cultivos, madera o plantas cultivadas para la venta u otro uso comercial, ni para la producción comercial de semillas ni fines de investigación. No diseñado para el uso en guaridas individuales.

ALMACENAMIENTO Y ELIMINACIÓN

ALMACENAMIENTO: Guarde en un lugar fresco, seco y seguro y mantenga el envase cerrado. Guarde el envase lejos de los niños y mascotas. Si se guarda apropiadamente, este producto retendrá su eficacia durante 3 meses después de la apertura del paquete.

ELIMINACIÓN: Si el envase está vacío, no vuelva a utilizarlo. Colóquelo en la basura u ofrézcalo para reciclado si hubiera esta opción.

Si está parcialmente lleno, llame a su agencia local de desechos sólidos o al 1-800-CLEANUP para obtener instrucciones de eliminación. Nunca coloque el producto no utilizado debajo de ningún drenaje interior o exterior.

PRIMEROS AUXILIOS

Tenga consigo el envase o etiqueta del producto cuando llame al centro de control de envenenamiento o al médico, o acuda al tratamiento. También puede llamar al (800) 265-0761 para obtener información sobre el tratamiento médico.

Si se ingiere: Llame de inmediato a un centro de control de envenenamiento o a un médico para recibir consejos de tratamiento. Haga que la persona beba tragos de agua si puede tragar. No provoque el vómito a menos que el centro de control de envenenamiento o médico le indique hacerlo. No dé nada por la boca a una persona inconsciente.

Si ocurre contacto con la piel o ropa: Quite la ropa contaminada. Enjuague la piel inmediatamente con abundante agua durante 15 a 20 minutos. Llame a un centro de control de envenenamiento o a un médico para recibir consejos de tratamiento.

DECLARACIONES DE PRECAUCIÓN

RIESGOS PARA LOS SERES HUMANOS Y ANIMALES DOMÉSTICOS ¡PRECAUCIÓN!

Puede ser nocivo si se ingiere. Evite el contacto con la piel, los ojos y la ropa. Lávese completamente las manos con agua y jabón después de manejar el producto. Los usuarios deben lavarse las manos antes de comer, beber, masticar goma, consumir tabaco o usar el baño. Los usuarios deben quitarse la ropa inmediatamente si el plaguicida hace contacto con la piel. Luego se deben lavar completamente y ponerse ropa limpia. No aplique este producto de modo que tenga contacto con alguna persona o mascota, ya sea de modo directo o por esparcirse en el aire. Mantenga a las personas y mascotas fuera del área durante la aplicación.

Riesgos ambientales: Este producto es tóxico para los peces. No aplique directamente en el agua. No contamine el agua cuando elimine las aguas con que lavó el equipo. No aplique cuando las condiciones climáticas favorezcan el esparcimiento a otras zonas por acción del viento.

NOTA: El vendedor no garantiza expresa ni implícitamente el uso de este producto distinto al indicado en la etiqueta. El comprador asume el riesgo del uso y/o manejo de ese material cuando tal uso y/o manejo es contrario a las instrucciones de la etiqueta.

En caso de emergencia que ponga en riesgo la vida o las propiedades debido a este producto, llame al (800) 265-0761 día y noche.
