Subject: Label Notification(s) for Pesticide Registration 2007-4

Dear Ms. Horton:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated for December 6, 2011 for:

Alternate Brand Name

**AMDRO® ROACH BLOCK™ HOME
Perimeter Roach Bait**

The Registration Division (RD) has conducted a review of this request for applicability Under PRN 2007-4 and finds that the label change(s) requested falls within the scope of PRN-2007-4. The label has been date-stamped "Notification" and will be placed in our records.

EPA Registration Number 73342-7

AMDRO Insect Killer Granules

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Melody Banks on 703 305-5413 or via e-mail at banks.melody@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Suarez for,".

NOTIFICATION

JAN 26 2012

AMDRO®

Insect Killer Granules

[Alternate Brand Name(s): AMDRO® ROACH BLOCK™; AMDRO® ROACH BLOCK™ Home Perimeter Roach Bait]

[Optional Marketing Statements]

FOR INDOOR AND OUTDOOR CONTROL OF ANTS, CRICKETS & ROACHES
FOR USE IN AND AROUND STRUCTURES AND RESIDENTIAL AREAS

Indoor Crack and Crevice Use

Kills crickets, roaches, [German, American, Oriental, Smokey Brown] firebrats, and native and imported fire ants

Kills Acrobat Ants, Pharaoh Ants, Thief Ants, Firebrats

Kills American Cockroaches, Smokey Brown Cockroaches, and Field Crickets

Use outdoors

Helps prevent listed insects [ants] [cockroaches] from entering the home

Home Perimeter Insect [Ant] [Cockroach] Bait

Protects your home from invading insects [ants] [roaches]

Apply around the perimeter of your home

Kill Ants [Roaches] Outside So They Can't Come Inside!

Treats 1,500 Linear Feet (Note: for 30 oz packaging – equivalent coverage area featured on alternate size packaging.)

Small granule formula – easily penetrates into cracks and crevices

Small granule formula – easily picked up and shared by listed insects

[Note to EPA: Final printed label may feature graphic illustration representing product use; e.g., picture of labeled ant or roach with use sites such as flower gardens/around the perimeter of home/etc.]

ACTIVE INGREDIENT:

Hydramethylnon (CAS 67485-29-4) 0.9%

OTHER INGREDIENTS: 99.1%

TOTAL: 100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

(See back/side/other panel(s) for additional Precautionary Statements & First Aid.)

NET WEIGHT: 8 OZ (226.8 g), 1 LB (453.6 g), 24 OZ (680.4 g), 1 LB 14 OZ (30 OZ) (850 g), 2 LB (907.2 g)

5/8

[Side/Back/Other Panel(s)]

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if absorbed through the skin or inhaled. Avoid contact with skin, eyes or clothing. Wear long-sleeved shirt and long pants, socks and shoes and water-resistant gloves. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling.

Personal Protective Equipment (PPE): Applicators and other handlers must wear:

- Long-Sleeved shirt and long pants
- Water-resistant gloves
- Shoes plus socks

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

Engineering Controls: When handlers use closed systems, enclosed cabs, or aircraft in a manner that meets the requirements listed in the Worker Protection Standards (WPS) for agricultural pesticides [40 CFR 170.240(d)(4-6)], the handler PPE requirements may be reduced or modified as specified in the WPS.

User Safety Recommendations

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

Environmental Hazards: This product is toxic to fish. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

FIRST AID	
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact x-xxx-xxx-xxxx for emergency medical treatment information.	

[Optional:

WHY AMDRO INSECT KILLER GRANULES IS SO EFFECTIVE:

1. AMDRO Insect Killer Granules is highly attractive to many insect species, including roaches (German, American, Oriental, Smoky Brown), Ants (acrobat ants, Argentine ants, bigheaded ants, carpenter ants, cornfield ants, crazy ants, field ants, fire ants, ghost ants, harvester ants, odorous house ants, pavement ants, Pharaoh ants, thief ants and the Texas leafcutting ant), crickets and firebrats.
2. AMDRO Insect Killer Granules are carried directly into the ant mound by workers ants as food for the colony. Inside the mound, AMDRO Insect Killer Granules is passed to the queen, as well as to other ants. By the end or one to four weeks, the queen and most of the ants in the mound will have eaten this product and died.
3. When the queen is dead, no new worker ants can be produced, so the mound dies.
4. Ants think that Amdro is food. They carry it into the colony and share it with other ants and the queen. When the queen dies, the colony dies.

This formula contains a special blend of foods, combined with the delayed-action stomach poison, hydramethylnon. The delayed action of the active ingredient allows foraging ants to bring the bait back to the nest so that the entire colony, including the queen, is destroyed. When properly used, this bait will control many of the following insects, including ants, cockroaches, crickets and firebrats before they can enter a structure. Do not apply other insecticides (such as aerosols, sprays, etc) on top of or in close proximity to this product, as it will reduce the effectiveness. You should see (expect to see) fewer ants (insects - or - roaches - crickets) within a week.

This product controls a variety of insect pests including the following species:

Acrobat ant	Fire ant (Native and Imported)
Argentine ant	Ghost ant
Big Headed ant	Harvester ant
Carpenter ant	Odorous House ant
Cornfield ant	Pavement ant
Crazy ant	Pharaoh ant

Field ant	Thief ant
American cockroach	Smoky brown cockroach
Oriental cockroach	German cockroach
Crickets	Firebrats

This product is a ready-to-use product for use indoors and outdoors, around buildings, on lawns, and other non-crop areas* such as residential areas, the non-food/non-feed areas of institutional and commercial establishments including warehouses, restaurants, food processing plants, supermarkets, hospitals, nursing homes, motels, hotels, apartment buildings, schools, laboratories, computer facilities, pet shops, zoos, sewers, highway rights-of-way and medians, traffic islands, utility rights-of-way (including power lines, pipelines, aqueducts), managed turf areas (non-crop*) (including school yards, playgrounds, athletic fields, amusement parks, picnic areas, recreation areas, office parks, industrial grounds, airports, shopping centers, public parks, arboretums, public gardens, monument sites, cemeteries and mausoleums, golf courses, race tracks, camp grounds, and outdoor amphitheaters).]

* Do not use on other non-crop in California

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

The use of this product on pasture and rangeland is unlawful. DO NOT graze or feed lawn or sod chippings to livestock.

This product is not for use on crops, timber, plants or turf grown for sale or other commercial use, or for commercial seed production or for research purposes. Do not use AMDRO Insect Killer Granules on vegetable or other food crops. This product will retain its effectiveness for up to 3 months after the package has been opened.

OUTDOOR USE

AROUND STRUCTURES: This product may be sprinkled around structures. Sprinkle evenly in a 1-2 foot wide band adjacent to the structure at a rate of 0.5 oz. (one tablespoon) of bait per 25 linear feet. A typical application would be 4-8 oz. adjacent to an average sized home of 200-400 linear feet. Do not exceed 4-8 oz. per 200-400 linear feet (or 0.5 oz. per 25 linear feet). Be sure to treat areas such as porches, patios, driveways, sidewalks, flower gardens, and landscape timbers and around trees, woodpiles, air conditioning units and garbage receptacles. Treat visible ant trails, as well as cracks or crevices, where insects (ants, roaches, crickets) may enter a structure.

BROADCAST APPLICATION: Broadcast this product uniformly at the rate of up to 1 oz. per 1800 square feet.

FIRE ANT AND OTHER MOUND BUILDING ANTS (Pavement, Fire, Harveste, Field and Cornfield): Sprinkle approximately two tablespoons (1 oz.) of bait around each

mound. For best results, do not apply bait directly in or on the mound. Do not disturb the mound. Ants that are agitated may not feed on the bait.

INDOOR USE

AVOID CONTAMINATION OF FOOD, FOOD CONTACT SURFACES AND FEEDSTUFFS. Indoor applications are limited to areas that are inaccessible to children or pets, such as cracks, crevices, wall voids, unfinished attics, crawl spaces and behind electrical switch plates, within residential and non-residential buildings or structures and within non-food/non-feed areas of industrial, institutional, and commercial buildings as outlined below.

Apply up to 0.5 oz. (one tablespoon) of bait per crack, crevice or other inaccessible areas where insects may hide or live. Apply product using suitable application equipment. Recover [Clean up] [Wipe up] any loose or excess granules. Apply evenly in unfinished attics and crawl spaces at a rate of 0.5 oz. per 100 square feet only if the space is secured or otherwise inaccessible to children and domestic animals.

STORAGE & DISPOSAL

Pesticide Storage: Store product in original container in a locked storage area. Use within 3 months after opening.

Pesticide Disposal: *If partially filled* — Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Container Disposal: *If empty* — Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

NOTICE: To the extent consistent with applicable law, Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

In case of an emergency involving this product, call (collect), day or night, (phone number).
