DIRECTIONS FOR USE

(

à

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. If granules are to be stored prior to and during use, attach a copy of this label to each receiving and storage receptacle. For use in the manufacture of roofing materials. Uniformly blend with standard roofing granules at a rate of 10% by weight. For applications where algae growth is severe, uniformly blend with standard roofing granules at a rate not to exceed 20% by weight.
