Reregistration

Name of Pesticide Product:
AG 3P Solution

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

American Silver LLC
70 West Canyon Rd, Suite D
Alpine, UT 84004

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistration under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

Signature of Approving Official:

Marshall Swindell Product Manager 33
Regulatory Management Branch I
Antimicrobials Division (7510W)

Date:

FEB 27 2002

page 2
EPA Reg. No. 73499-1

Add the phrase, "EPA Registration No. 73499-1".

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marshall Swindell

EPA EST. NO. 073499-UT-001

ACCEPTED
FEB 27 2002
Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. **73499-1**

EFFECTIVE AGAINST: Gram Negative bacteria including Salmonella choleraesuis.

DIRECTIONS FOR USE:

It is a violation of U.S. federal law to use this product *in a manner inconsistent with its labeling.*

DESCRIPTION: *This product is a limited surface disinfectant, effective against gram negative bacteria.*

This product is a ready-to use solution for use on hard, non-porous surfaces of inanimate objects.

It is intended for use in commercial, residential and industrial settings. This product is not for use on food contact surfaces or use in medical or health care facilities or institutions.

It will effectively disinfect against gram negative bacteria when used as directed, on walls, urinals, floors, tables, chairs, light fixtures, and bathroom surfaces including those made of glass, porcelain, ceramic, enameled, painted, plastic, rubber, metal, and wood.

APPLICATIONS: (SURFACES)

To disinfect:

Apply product by mop, sponge or cloth to the pre-cleaned surface, thoroughly wetting the area to be disinfected.

Allow the surface to remain wet for 10 minutes at 20° C (68° F). Follow by wiping surface using a clean paper or cloth towel.

Discard used towel.
