PRODUCT: MQHP-1 Spot On [73510-3]

Dear Mr. LaRocca:
On behalf of MarketQuest Inc., I am submitting for your review a notification for minor label amendments as described in PR Notice 98-10 Section II N.

- The reasons for making the changes detailed below are to:
- 1] At amend the pre-application statements since there has been another design change in the primary packaging [tube].
 - 2] Clarify front panel claims by changing the verbiage "For Biting Fly Protection" to "Biting Fly Protection" and adding "One Dose Last Up To Two Weeks" and "One Month Supply" or "Four Month's Supply" depending on whether it is a two vial or a four vial pack..

The current approved label has the pre-application instruction:

" Hold tube in upright position pointing away from the user's face and body and twist off cap. Break off tip or cut with scissors."

The new label will have the pre-application instruction:

"Hold tube in upright position pointing away from the user's face and body. Break off tip or cut with scissors."
