 <p style="text-align: center;">U. S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 M St., S.W. Washington, D.C. 20460</p> <p style="text-align: center;">NOTICE OF PESTICIDE Registration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 73605-2	Date of Issuance: JAN 16 2003
	Term of Issuance: UnConditional Registration	
	Name of Pesticide Product: BORIC ACID FG	
Name and Address of Registrant (include ZIP Code): AMERICAN BORATE COMPANY 5700 Cleveland Street, Suite 420 Virginia Beach, VA 23462		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p>		

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5).

1. Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No. **73605-2**
 - b. Add the following statement under the **FIRST AID** statement "Have the product container or label with you when calling a poison control center or doctor, or going for treatment". In case of emergency, for additional information call (insert toll free-emergency number).
2. A one year storage study must be submitted to the Agency on completion.
3. Submit four copies of the revised final printed label for the record.

A stamped copy of the label is enclosed "Accepted with Comments" for your records.

Boric Acid[®] FG

Formulator Grade

For manufacture of algaecides/insecticides/fungicides

ACTIVE INGREDIENT:

Boric Acid (H₂BO₃) 100%

[Boric Oxide (B₂O₃) equivalent 56.3%]

KEEP OUT OF REACH OF CHILDREN

CAUTION

Not for food or drug use.
See back/side/other panel(s) for additional precautionary statements.

A Reg. No. 73605-_____
EPA Est. 73605-VA-01

Directions for Use
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Boric Acid FG is a soluble inorganic powder for formulating into certain end-use products; insecticides/fungicides for wood treatment; insecticides for mop, spot, or crack and crevice treatment in residential, industrial, commercial and institutional buildings.

Formulators and repackagers are responsible for obtaining their own registrations.

Storage and Disposal
Do not contaminate water, food or feed by storage or disposal.
Storage: Store in a dry place. Do not store where children or animals may gain access.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

First Aid

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact x-xxx-xxx-xxxx for emergency medical treatment information.

If swallowed Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

Environmental Hazards

Boric acid or boric acid solutions carelessly spilled or applied to cropland or growing plants, including trees and shrubs, may kill or seriously retard plant growth. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Notice: Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label, or when used contrary to the directions or instructions hereon, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes full risk of usage and handling except when used or handled in accordance with this label.
