U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

73696-2

MAR 14 2002

Term of Issuance:

Unconditional

Name of Pesticide Product:

Hydrated Lime Manufacturing Use Product

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Alistagen Corporation
106 West 50th Street
New York, NY 10019

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time additional data are required to maintain in effect an existing registration, the Agency will require the submission of such data under FIFRA section (3).

1. Make the following changes:
 - a. Revise the EPA Registration Number to read "EPA Reg. No. 73696-2."

A stamped label is enclosed for your records. You must submit two copies of the final printed label for the record. If you have any questions regarding this letter, please contact Jacqueline McFarlane at (703) 308-6416.

Hydrated Lime

Manufacturing-Use Product

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

Use only for manufacture of or fabrication into antimicrobial pesticides for 1) the uses listed on this label or 2) uses for which EPA has approved the required data and/or citations of data that the formulator has submitted in support of a pesticide registration. Imparts antimicrobial activity by suppressing the growth of odor, discoloration, or deterioration causing bacteria, mold, mildew, algae and fungi. Formulations that incorporate this product may be used as coatings on, or components of, the following hard, inanimate surfaces and products: walls, floors, ceilings, tile, fixtures, tools, appliance exteriors, pipe exteriors, heating/cooling/ventilation duct work exteriors, and concrete, stone, ceramic, plaster, wood, drywall substrates in residential dwellings, schools, day care centers, professional offices, commercial and industrial buildings, factories, animal housing facilities (, barns, corrals, fences) and healthcare facilities (hospitals, medical offices, nursing homes). This product is not for use in or on coatings or other antimicrobial pesticides that will be used on food contact food, food preparation or food processing surfaces. Persons who formulate coatings, finished articles or other manufactured products incorporating this product may not make public health claims relating to incorporation of hydrated lime without first obtaining an EPA registration for the manufactured product for which such claims are made. Formulations and antimicrobial coating products that incorporate hydrated lime should be formulated to include 15 – 25% of this product.

ACTIVE INGREDIENT:

Hydrated Lime (Calcium Hydroxide).....96.6%
OTHER INGREDIENTS..... 3.4%
TOTAL..... 100.0%

KEEP OUT OF REACH OF CHILDREN

DANGER

The Manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the label. Read all directions carefully.

PRECAUTIONARY STATEMENTS

Hazards to Humans

DANGER

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield), clothing (long sleeve shirt, long pants), and gloves (gauntlet type). May be fatal if inhaled. Do not breathe dust. Wear a MSHA/NIOSH-approved dust/mist filtering respirator number TC-21C, or a NIOSH-approved respirator with any N, R, P or HE filter. Harmful if absorbed through the skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically addressed in a National Pollutant Discharge Elimination System (NPDES) permit. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the Environmental Protection Agency.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage Keep container tightly sealed. Store in cool, dry area.

Pesticide Disposal Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixtures or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or hazardous Waste Representative at the nearest EOPA Regional Office for guidance.

Container Disposal Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
