- d) Please revise your First Aid Statement to read as follows:

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**HOT LINE NUMBER**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.

Due to the age of the acute toxicity studies cited, lack of quality assurance and good laboratory practice statements and conflicting results between some of the studies they are considered supplementary. However, due to the nature and form of this product the Agency is not requiring additional studies provided you upgrade the eye-irritation to Tox Category II and revise the precautionary text as indicated above.

We note the results of 3 month storage and corrosion characteristics. Submit the results of one year testing when completed.

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please feel free to contact me at (703) 305-6100.

Sincerely,

George T. LaRocca
