

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

73745-2

Date of Issuance:

MAY 18 2005

Term of Issuance: Conditional

Name of Pesticide Product:

ARINIX

NOTICE OF PESTICIDE:

x Registration
Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Nix, Inc.
1-4-1 Okinacho, Naka-ku
Yokohama 231-0028
Japan

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of you product under FIFRA section 4.
2. **Make the following labeling changes:**
 - a) Revise the EPA Registration Number to read "EPA Reg. No. 73745-2"
 - b) Add "First Aid" immediately above the first aid statements.
 - c) Identify the specific sites of application on the front panel i.e., "For Use in Industrial Applications in Telecommunications, Power, Utility and other Commercial Industries"
 - d) Delete "ARINIX containing plastic must be replaced every 5 years", the data submitted doesn't support a 5 year claim. You can replace it with "Replace as necessary". The submitted data supports a "repellant" claim only. Therefore

Signature of Approving Official:

George T. LaRocca
George T. LaRocca, Product Manager (13), IB/RD (7505C)

Date:

May 18, 2005

delete all "control" claims. Also delete centipedes and either delete spiders and ants or qualify with (except Black Widow & Brown Recluse) (except carpenter and pharoah). No data was submitted for centipedes.

c) Add the following statements under Directions for Use:

"Apply enough product to provide a continuous barrier around the perimeter or circumference of the application surface, and in such a manner that no space exists between the product and the surface to which it is being applied. Do not place product in exposed locations where there is likely to be direct contact with children or pets."

It appears the labeling submitted is for the cardboard box that contains the plastic bags. Please submit labeling for the plastic bags.

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label and efficacy review are enclosed for your records.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Precautionary Statements

Hazardous to Humans and Domestic Animals

WARNING. Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

Personal Protective Equipment

Handlers must wear chemical-resistant gloves such as those made of barrier laminate, nitrile rubber or neoprene rubber.

Follow manufacturer's instructions for cleaning/maintaining chemical-resistant gloves. Keep and wash chemical resistant gloves separate from other laundry.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ARINIX™ is specially formulated plastic that contains an insect repellent. ARINIX™ effectively repels Red Imported Fire Ants, spiders, centipedes, and ants. ARINIX™ is available in several shapes and sizes and can be used in application in which control of the above pests is needed. Examples of applications include AC cable or power line cords, base or door trim on electrical power supply boxes, transmitter boxes and vending machines, transformer, control relay wiring boards, security or fire alarms, monitoring cameras and sensors, ventilation openings around building foundations, home or office ventilation security, home or office entrance, exit, window or cargo door, sewage and sewer or drainpipes, electrical switches and sensors used to control irrigation devices, lighting and HVAC systems.

To Use: Remove the plastic bags holding ARINIX™ from the cardboard box container. Then open the plastic bag and remove for installation onto target area. ARINIX™ containing plastic must be replaced every 5 years.

STORAGE AND DISPOSAL

Do not contaminate water. Food or feed by storage or disposal. Store in original package in a cool, dry ventilated area and away from children. Dispose of any unused ARINIX™ in trash.

NOTICE: Seller expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either expressed or implied, including but not limited to the warranties of fitness for a particular purpose or use.
