Subject: Label Amendment - Registration Review Mitigation for Etofenprox
Product Name: ARINIX II
EPA Registration Number: 73745-3
Application Date: July 9, 2024
Decision Number: 595997

Dear Christina Swick:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Etofenprox Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact DeMariah Cotton by phone at (202)-566-2288 or via email at cotton.demariah@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Linda Arrington', with a stylized flourish at the end.

Linda Arrington, Branch Chief
Risk Management and Implementation Branch 4
Pesticide Re-Evaluation Division
Office of Pesticide Programs

ENCLOSURE: Stamped label

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing.

Personal Protective Equipment (PPE)

Handlers must wear waterproof gloves.

User Safety Requirements

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

Users should wash hands before eating, drinking, chewing gum, or using the toilet. Users should remove PPE immediately after handling this product. Wash outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic invertebrates.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS

Do not place product in exposed locations where there is likely to be direct contact with children or pets. Do not paint ARINIX II parts.

Do not allow to enter indoor or outdoor drains unless labeled for drain treatments./No permita la entrada a desagües internos o externos a menos que el etiquetado indique que está permitido el uso del producto para tratamiento de desagües.

[Note to Reviewer: Drain graphic must be no smaller than 1.5 cm² or 0.25 in² unless this size is greater than 10% of the size of the label]

Follow proper disposal procedures on this label./Siga las indicaciones del etiquetado para el desecho apropiado del producto.

For both indoor and outdoor use. ARINIX II is specially formulated plastic that contains an insect repellent. ARINIX II effectively repels spiders (except Black Widow and Brown Recluse), ants (except carpenter and pharaoh), beetles, moths, and silverfish. ARINIX II is available as spiral wraps, flat bars or "bug bumpers" and can be used in applications in which prevention of the above pests is needed. Examples of applications include AC cable or power line cords; base or door trim on electrical power supply boxes; area around transmitter boxes and vending machines; transformer, control relay wiring boards; security or fire alarms; monitoring cameras and sensors; ventilation openings around building foundations; home or office ventilation systems; home or office entrances, exits, windows or cargo doors; compressors, animal holding facilities, flower pots and planters; sewage and sewer or drainpipes; electrical switches and sensors used to control irrigation devices; lighting and HVAC systems.

To Use: Remove the plastic bags holding ARINIX II from the cardboard box container. Then open the plastic bag and remove for installation onto target area. When using around electrical transformers, apply enough product to provide a continuous barrier around the perimeter or circumference of the application surface and in such a manner that no space exists between the product and the surface to which it is being applied. Replace Arinix II containing plastic as necessary. Keep Arinix II parts clean.

[Note to Reviewer: These are Alternate Use Directions for AC Drain Hose Applications:]

[1. Remove the ARINIX II from packaging.

2. Insert the ARINIX II into the AC drain hose. Ensure the shoulder of the ARINIX II is fully seated into the AC drain hose.]

REPORTING ECOLOGICAL INCIDENTS

For guidance on reporting ecological incidents, including death, injury, or harm to plants and animals, including bees and other nontarget insects, see EPA's Pesticide Incident Reporting website: <https://www.epa.gov/pesticide-incidents> or call (408) 321-8286.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original package in a cool, dry ventilated area and away from children.

PESTICIDE DISPOSAL: To avoid wastes, use all material in this container by application according to label directions. Do not pour or dispose down the drain or sewer. Call your local solid waste agency for local disposal options.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: [Seller][Manufacturer] expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either expressed or implied, including but not limited to the warranties of fitness for a particular purpose or use.
