RE: Notification of Alternate Brand Name: Green Way Ant & Roach Killer Gel
EPA Registration Number: 73766-1
Submission Dated: July 30, 2008

Dear Ms. Shoemaker:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated, July 30, 2008, for the product, Gourment Ant Bait Gel. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely yours,

 EPA Est. No. 81944-GA-001

DIRECTIONS FOR USE

It is a violation of federal law to use this
 product in a manner inconsistent with its
 labeling.

Do not contaminate feed or foodstuffs.
 Place baits in areas inaccessible to children and pets

Green Way Ant & Roach Killer Gel may be used in Ant Café or other similar bait
 stations.

For use in and around homes, apartments, condominiums, schools, hospitals,
 restaurants, grocery stores, non-food areas of food processing plants, boats
 cruise ships, institutional and commercial buildings, nursing homes, hotels and
 warehouses.

OPEN PLACEMENT METHOD NOT TO BE USED IN CALIFORNIA

Indoor: Use Green Way Ant & Roach Killer Gel for the control of ants or
 German Cockroaches. Make long thin lines in areas where ants are a problem.
 Use 1-3 lines for each placement. Place baits where ants are trailing or have
 been seen. Place bait under food cabinets, sinks, stoves, refrigerators, food
 storage areas, attics, garages, basements, storage areas, closets, etc.

Outdoor: Place on exterior window-sills and in doorways to help prevent entry
 of ants.

Wash hands thoroughly before handling bait to remove any odors that may be
 repellent to ants, i.e. tobacco, garlic, strong chemicals/ cleaners etc. Remove as
 many competing food sources as practical. Ants are attracted to and will feed
 on Gourmet Ant Bait Gel until they die. The ants will return to their nests after
 consuming the bait and will feed their young and the queen. Repeat placement
 of the bait until satisfactory control has been achieved.

To use Ant Café bait station; open the lid, add Green Way Ant & Roach Bait Gel
 until station is at least half full, close lid and place according to directions for
 use.

See pictures for further information. Optional: (insert pictures filling of Ant Café)

Do not use sprays, foggers or any strong chemicals or cleaners near the bait
 containers or placements. This may contaminate the bait and cause the insects
 to cease feeding.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal of this product.
 Storage: Store product in original container in a cool dry place out of reach of
 children. Do not allow product to freeze.

Disposal: If empty: Do not reuse this container. Place in trash or offer for
 recycling if available. If partly filled: Call your local solid waste agency or 1-800-
 CLEANUP for disposal instructions. Never place unused product down any
 indoor or outdoor drain.

Notice: Buyer and user assume all the risk and liability of use, storage and/ or
 handling of this product not in accordance with terms of this label. . . .
