Washington, D.C. 20460

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

EPA Reg. Number:

73797-1

Date of Issuance:

SEP 23 2002

Term of Issuance:

Conditional

Name of Pesticide Product:

Focus Brands Disinfecting Wipes

Name and Address of Registrant (include ZIP Code):

Focus Brands, Inc.
695 West Avenue
Milford, CT 06460

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 73797-1".
 - b. You need to specify that this product may be used on "stove exteriors."

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of this product constitutes acceptance of these conditions.

A stamped label is enclosed for your records. Submit two (2) copies of the revised final printed label for the record. If you have any questions regarding this letter, please contact Jacqueline McFarlane at (703) 308-6416.

GENERAL

Disinfecting Wipes with Ultra-Fresh Antibacterial action are the quick and easy way to clean and disinfect. **Disinfecting Wipes** quickly pick up soils from surfaces, eliminating food odors. Each towel has a clean fresh scent.

- **One Step Cleaning • Cleans and Disinfects**
- **Removes grease, juice, and coffee spills**
- **Antibacterial action disinfects • Kills Bacteria****

Works on bathroom and kitchen sinks, faucets, cabinets, stoves, counter-tops, exterior surfaces of appliances, garbage cans, telephones, glazed tiled walls, showers, tubs, diaper pails, and trash cans.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

1. Remove lid and puncture seal. 2. Pull wipe from center of roll and thread through opening in lid. 3. Replace lid. 4. Pull wipe up and then out, at a 45 degree angle and snap off. 5. Dispose of wipe in trash receptacle. 6. Not recommended for fabrics, wood, dishes or glass. 7. This product is not intended for use on eating utensils, drinking glasses, wooden utensils, chopping blocks, cutting boards, and cookware.

Disinfecting Surfaces: Wipe surface with towel applying cleaner evenly on surface. Allow surface to remain wet for 10 minutes to complete disinfection. Let surface dry. No need to rinse. For heavily soiled surfaces, a second application is recommended.

General Cleaning: Wipe surface with towel. Use both sides of towel if necessary. Discard used towel in proper container.

**NOT FOR PERSONAL CLEANSING • DO NOT USE AS A BABY WIPE
KEEP OUT OF REACH OF CHILDREN**

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

Caution: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Do not mix with other chemicals or bleach.

First Aid: Have this product container or label with you when calling a poison control center or doctor or going for treatment. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment. **IF ON SKIN or CLOTHING:** Take off affected clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment.

Storage & Disposal: Store in a cool place. Dispose of towel in trash after use. Do not re-use empty container except with Disinfecting Wipe refills.

Physical and Chemical Hazards: Do not mix with other chemicals or bleach.
