Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit data.
2. Modify the labeling as follows:
 - a. Revise the EPA Registration Number to read, "EPA Reg No 73877-1".

b. It is recommended that a company telephone number or toll-free hotline number be include on the label. In addition, a phrase or statement indicating the kinds of information the number should be used for should also be included.

3. Submit one copy of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

In addition to the basic formulation accepted for this registration, an alternate formulation is also being accepted. The Confidential Statement of Formula (CSF) for the alternate formulation is dated October 24, 2001 and has been incorporated into the file for the subject product.

If you have any questions, please contact me at (703) 305-7740 or María I. Rodríguez of my staff at 703-305-6710.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Baler's Choice is a preservative for hay that is baled at 16% to 30% moisture. It can be used on alfalfa, Bermuda grass, bluegrass, brome grass, clover, cowpea hay, fescue, lespedeza, lupines, orchard grass, peanut hay, rye grass, soybean hay, sudan grass, timothy, and vetch that is baled in small square, large round, or large square bales. When used in accordance with label directions, it will prevent the growth of mold in the hay and the related heating, discoloration, and loss of feed value.

FOR USE ON HAY: Spray Baler's Choice on the hay as it is fed into the baler using the application rates indicated by the chart below.

Hay Moisture	Small Square & Large Round Balers		Large Square Balers	
	Stem Moisture	Dew Moisture Only	Stem Moisture	Dew Moisture Only
16% - 22%	4 lb/ton	2 lb/ton	6 lb/ton	3 lb/ton
22% - 26%	8 lb/ton	6 lb/ton	10 lb/ton	8 lb/ton
27% - 30%	16 lb/ton	12 lb/ton	Do Not Bale	16 lb/ton

Not recommended on any hay above 30% moisture.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Seal tightly. Do not store in direct sunlight.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

Environmental Hazards

For terrestrial uses. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

Hazards to Humans and Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage. Do not get in eyes. Wear protective eyewear (goggles, face shield, or safety glasses). Harmful if swallowed or absorbed through skin. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Wear chemical-resistant gloves, chemical-resistant aprons, chemical-resistant footwear, and goggles or face shield when loading application equipment, unless a closed loading system is used. Avoid working near high concentrations of spray mist/vapor. Use with adequate ventilation. Wash thoroughly after handling.

WARRANTY: Harvest Tec in no way is responsible to people or property resulting from the use of this product that is inconsistent with this label.

PRODUCT COLOR CHANGE WILL NOT AFFECT PERFORMANCE.
