VIV – 20 (Triclosan) VVS Group

IMPORTANT: Read Directions for Use before using this product

DIRECTIONS FOR USE

0.1%

100%

It is a violation of Federal law to use this product in a manner not consistent with its labeling.

VIV-20 is a USP grade bacteriostatic agent intended only for industrial usage (manufacturing, processing or repackaging). Users of VIV-20 must follow appropriate regulatory procedures in order to support their specific product asage. Not for Diaper Laundry Application.

Distributors of this product may not make claims of antimicrobial activity other than protection of the treated article itself against odors, discoloration and deterioration. Refer to 40CFR:152.25(a) and www. epa.gov/pesticides for additional guidance on treated articles claims and exemptions.

Reformulated or repackaged product must be registered with EPA. The potential registrant must supply data to support uses claimed on proposed label.

STORAGE AND DISPOSAL

Store below 130 F. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from use of this product may be disposed of on-site or at an approved waste disposal facility. Completely empty liner of clinging particles by shaking and tapping sides and bottom. Empty residue into application equipment. Dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum cannot be reused, dispose of as mentioned above.

For minor spills, shovel into an approved disposal container and vacuum contaminated areas. Avoid creating dusty conditions. Take special care to avoid contamination of equipment and facilities during cleanup procedures and waste disposal. In the event of a major spill, fire or other emergency, call 1-800-424-9300 day or night.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if inhaled. Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Do not breath dust.

When handling for any purpose, use dust/mist filtering respirator (such as MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any N, P, or HE pre-filter. Wash hands before cating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse

ENVIRONMENTAL HAZARD

Do not discharge effluent containing this product into lakes, streams, ponds, estitaries, oceans or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination (NDPES) permit. Permitting authority must be notified in writing prior to discharge. Similarly, do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional EPA Office.

FIRST AID DIRECTIONS (IF EXPOSURE OCCURS)

If inhuled: Move person to fresh air. If person is not breathing, first call 911 or an ambutance: then give artificial respiration, preferably mouth to mouth, if possible. Call Poison Control Center or physician for further advice.

If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 min. Call a Poison Control Center or physician for treatment advice.

Have the product label or container with you when calling a Poison Control Center or physician for treatment advice
