PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS - WARNING: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Note to reviewer. Boxed format and bullets will be used in First Aid section if label space permits. If label space is limited a paragraph format will be used

FIRST AID	
If swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have a person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If you suspect a reaction to this product:	<ul style="list-style-type: none"> • Discontinue use; • Take off contaminated clothing; • Rinse skin immediately with plenty of water for 15-20 minutes.
Call a poison control center or doctor for further treatment advice. Have the product label with you when calling a poison control center or doctor, or going for treatment.	

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

(Note to reviewer. Alternate packaging for: tube, pump, squeeze bottle or towelettes.)

Pump:

Shake well before using. Evenly apply to skin before exposure to insects. To apply to face, dispense (pump) into palm of hand and rub on. Do not apply near eyes and mouth.

Tube, squeeze bottle:

Evenly apply to skin before exposure to insects. To apply to face, dispense (squeeze) into palm of hand and rub on. Do not apply near eyes and mouth.

Towelette:

Tear open envelope and unfold towelette. Wipe on a thin uniform film over all exposed skin except eye and mouth.

Use just enough product to cover exposed skin and/or clothing. Avoid over-application of this product. Do not apply over cuts, wounds or irritated skin. Do not use under clothing. Apply sparingly around ears. Do not apply to children's hands or allow children to handle product. When using on children, apply to your own hands and then put the product on the child. Wipe palms after applying. After returning indoors wash treated skin with soap and water. Wash treated clothing before wearing it again.

May damage certain synthetic fabrics, plastics, watch crystals, leather, and painted or varnish surfaces. Will not damage nylon, polyester, Dynel, Nalgene®, cotton or wool.

Note to reviewer: Boxed format will be used if label space permits. Paragraph format will be used if label is small.

STORAGE AND DISPOSAL:

STORAGE: Store in a cool, dry place inaccessible to children. **DISPOSAL:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency (or 1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.
