JAN 7 2002

Term of Issuance: Unconditional

Name of Pesticide Product:

Southwest Select Diatomaceous Earth

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Western Organics, Inc.
P.O. Box 25406
Tempe, AZ 85285-5406

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3).

1. Please submit the original, signed copy of the Confidential Statement of Formula (CSF), Basic Formulation, dated 12/19/01, for our records. The copy which you submitted by facsimile (FAX) is filled out correctly and completely. However, the print quality of the FAXed copy is not adequate for scanning and storage on EPA's electronic media.
2. Revise the warranty statement on the label to read as follows: "Manufacturer makes no warranty, expressed or implied, regarding the performance of this product if not used in accordance with the Directions for Use."
3. Please submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. A stamped copy of the label is enclosed for your records.

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

Caution: Cause moderate eye irritation. Avoid contact with eyes. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

FIRST AID

If in eyes, hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center for treatment advice. **HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Poison Control Center at 1-800-POISON1.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner not consistent with its labeling.

Stored Grain: For use with stored grain, including barley, buckwheat, corn, oats, rice, rye, sorghum grain, wheat and mixtures of these grains: Adjust moisture content of grain to not over 12% by weight and add 7 lbs. of this product per ton of grain at the point of entry in to storage. Treated grain may be reduced to a lower grade, have reduced flowability and test weight. For best results, treat grain immediately after harvest.

SOUTHWEST SELECT is a mechanical insect killer. Insects cannot become immune to its action. Insects come in contact or ingest this powder and die within 48 hours.

OTHER USES (INDOOR AND OUTDOOR APPLICATIONS)

SOUTHWEST SELECT Diatomaceous Earth is intended for application with a hand duster, power duster or other similar means for application to areas where crawling insects are found. Apply **SOUTHWEST SELECT** Diatomaceous Earth to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and evenly.

Indoor use: Cockroaches, Ants, Earwigs, Millipedes and Centipedes, Crickets and Silverfish. Lightly coat a thin layer of **SOUTHWEST SELECT** Diatomaceous Earth in areas where these insects are found and may hide, such as cracks and crevices, behind and beneath refrigerators, cabinets, stoves, garbage cans and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly if possible.

Fleas: Thoroughly treat floor and bedding in and around pets' sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting and wherever fleas are suspected.

Carpet Beetles: Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

Bedbugs: Dismantle bed. Use **SOUTHWEST SELECT** Diatomaceous Earth in joints, crevices and where rungs are inserted. See that all interior areas are dusted. Dust mattress especially folds and edges. All cracks and crevices in the bedroom should be treated.

Outdoor use: Cockroaches, Earwigs, Grasshoppers, Ants, Crickets and other crawling insects: Lightly coat a thin layer of **SOUTHWEST SELECT** Diatomaceous Earth in areas where those insects are found such as patios, outdoor sills, window and door frames. Dust around foundations, along ant trails and around sewer pipes and drains.

Manufacturer makes no warranty, expressed or implied, regarding the performance of this product in the absence of control over how it is used.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

HOUSEHOLD DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
