OCT 16 2002

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Term of Issuance:

Conditional

Name of Pesticide Product:

RB-56 Chlor

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

RBF International Ltd.
780 Rue Nobel
Saint Antoine Des Laurentides
Quebec, Candada J7Z 7A3

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes before you release the product for shipment:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 74320-3".
- b. Align the "Ingredient Statement" to read:

ACTIVE INGREDIENT
Sodium Dichloro-s-triazinetrione..... 99.5%
INERT INGREDIENTS..... 0.5%
TOTAL 100.0%

Signature of Approving Official:

Robert S. Brennis, PM 32

Date:

OCT 16 2002

- c. Under the "Direction for Use - Shock Treatment" make the following changes:
- Revise the first sentence to read: The pool water should be superchlorinated or shocked every seven days or whenever the combine chlorine level is above 0.5 ppm (mg/L).
 - Under the second paragraph change the word "circulationg" to read "circulating".
 - Under the second paragraph revise the first sentence to read: "Add a sufficient amount of this product directly to the surface of circulating water to raise the available chlorine level to 5-6 ppm (mg/L), based on test kit readings".
 - Delete the word "is" after the word "chlorine".
- d. Under the heading "Maintenance Treatment" change "7.5 grams" to read "1.5 grams".
- e. Under the heading "Maintenance Treatment" add before the last sentence: "In addition, some oils, lotions, fragrances, cleaners, etc. may cause foaming or cloudy water as well as reduce the efficiency of this product."
- f. Under the heading "Winterizing" delete "an appropriate".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DANGER

FIRST AID

If in eyes:

- Hold eye open and rinse slowly with a steady, gentle stream of water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye
- Call a poison control center or physician for treatment advice.

If swallowed:

- Call a physician or poison control center immediately for treatment advice
- Drink promptly large quantities of water.
- DO NOT induce vomiting unless told to do so by poison control center or physician. Avoid alcohol.
- Do not give anything by mouth to an unconscious person.

If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably, mouth-to-mouth, if possible.
- Call a poison control center or physician for treatment advice.

If on skin or clothing:

- Take off contaminated clothing.
- Wash skin with plenty of water for 15-20 minutes.
- Call a poison control center or physician for treatment advice, if irritation persists.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

NET CONTENTS: 50 lbs

CONTAINER DISPOSAL:

BULK BAG: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

BULK BIN: Return empty bulk bin for reuse. Do not remove or deface labels. Do not vacuum, wash or clean inside of bin.

FIBER DRUM: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration as allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

PLASTIC CONTAINER: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

HOUSEHOLD CONTAINERS: Do not reuse container. Rinse thoroughly before discarding in trash.
